

Waiver Re-Design

Initial Concept Paper

CREATING A SYSTEM OF SERVICES THAT SUPPORT
INDIVIDUALS AND FAMILIES IN LIVING THEIR VISION
OF A GOOD LIFE

A concept paper is a way for the state to share the changes it is considering for the waivers based upon what they have heard from individuals with disabilities, families, providers, case managers, and state staff. The concept paper shares some possible ways to address the identified barriers and expressed needs and desires. NOTHING in the concept paper is decided upon and that is why we need YOUR feedback.
