# A One-Day Seminar: **STRUCTURE IN ACTION** by Pat Hastings

Seminar Location: Imperial Polk Obedience Club (IPOC), located at 3611 Century Boulevard, Lakeland, FL 33811  
Attendees should not bring their dogs unless they are part of the demo.  
Crate space will only be available for demo dogs.

**STRUCTURE IN ACTION** will be a **one-day workshop on Saturday, February 12, 2022**. This workshop combines Pat Hastings' Puppy Puzzle Presentation, as well as Hastings' discussion of the value of structurally evaluating adult dogs that are being considered for a breeding program, working trials or performance competition, along with a veterinarian's perspective on how to reduce the risk of structural injuries in working and performance dogs.

Dogs will do most anything we ask of them. The question is: Do we want to ask them to do things they are structurally incapable of doing without breaking down? Is that what we really want to do to our most steadfast companions? The more we learn about canine structure, the more we understand what is reasonable to ask of our dogs, given their physical strengths and weaknesses.

#### AGENDA:
