

KCMR September 9, 2023 meeting was called to order by President Lonnie Demoret at 11:06 am. 14 members were in attendance.

Treasurer's report given by Javen. Dues are behind, please see Javen to pay your dues!! Motion to accept the treasurer's report was made by Doug M., seconded by Phil. Motion carried.

Javen motioned to approve the August minutes as received, Todd seconded. Motion passed.

NEW BUSINESS Former member Angie Ratzlaff would like to bring some of the Disability Supports residents on Waldron to the club house to show off the layouts. She is asking if any of the club members would be available to show the trains on the layout when she'd be able to bring people. Logistics need to be worked out with Disability Supports to include getting them to the clubhouse, assisting them with the wheelchair or walkers, date or two, etc. The club members would be running trains, explaining trains, answering any questions they might have for an hour or two and for one or two days. Further information to come. Ellis, Javen, Phil, Jeff said they'd be able to help.

Wichita show is Oct 28 & 29. The club has purchased 3 tables for our excess items to sell. Lonnie will have his layout running also. Workers are needed to man the table to sell the items.

Third Thursday Sep 21 Phill and Ellis & Suzanne Meeks will be at the clubhouse. Jolene will be on Main St with a table and flyers to promote the club.

October 19, 2023 from 5-8pm is the next 3<sup>rd</sup> Thursday. Volunteers are needed to be downtown and at the clubhouse.

Question was asked of the availability of the orange club tshirts. Is it possible to make a few more? Printers want a minimum number ordered which is more than people asking, and Apollo doesn't have the image on file anymore. It is not cost effective at this time.

Motion to adjourn by Roland, Phil seconded. Motion passed.
