T. V. Profile – Barbara Fei

On July 5, a very popular singer returns to television in the *Concert Miniature* series, this is Miss Barbara Fei whose last recital in May delighted viewers, and many requests were received for a repeat performance. We are lucky indeed to have Barbara, for she is leaving Hong Kong in July to sing at the Salzburg Festival, this again is a tribute to her gifts for she sang there at the Musical Festival in 1957 and 1958 and is naturally delighted with the present invitation. She is a former pupil of Professor Chao Mei-Pa, and at the end of 1956 she went to Europe to study with Madame Lotte Schone, one of the greatest singers of modern times. She graduated from the Schola Cantorum in one of the most popular studio presentations from Rediffusion Television, and Paris in 1959, receiving the honour of Prize "Excellence". Besides making frequent appearances on the concert platform in Hong Kong, she has also broadcast many times, and is no stranger to television. In her very full career, this delightful young soprano, has also sung in concerts, radio and television in Paris and Austria. *Concert Miniature* is when an artiste of Miss Barbara Fei's ability and charm appears, the programme seems to have an added sparkle. We know the viewers will join us in wishing her every success at Salzburg, and will look forward to her return, when we hope she will again sing for us on T.V.

女高音費明儀

在七月五日，我們重又邀請得著名女高音費明儀女士參加我們的電視樂壇節目中舉行獨唱，費女士曾在五月間在電視樂壇演唱過，極受電視觀衆歡迎，因此紛紛來信要求本台再邀請費女士再度演唱，經本台向費女士一再邀請之下，卒獲她答允再在電視樂壇演出，因她將於七月間離港前赴沙茲堡參加音樂節，這是她第三度接受音樂節的邀請在該音樂節中演唱。

費女士前是名音樂家趙梅伯教授的高足，在一九五六年尾赴歐深造，師事名聲樂家樂提史干夫人，一九五九年她畢業於巴黎肯當林音樂院，榮獲優秀文憑，她回港後曾經常舉行演唱及在電台播唱，這位年青的女高音除爲港人所熟識外，並曾在澳洲，巴黎等地電台，電視及音樂會等演唱，由於她音色美妙，演唱外型儀態均臻上乘，故受各地音樂人士讚賞，這次重在麗的映聲電視演唱，自是觀衆們獲得又一最歡迎的耳福。
