

## Angels We Have Heard On High

G                    D            G  
 Angels we have heard on high  
                          D7        G  
 Sweetly singing o'er the plains,  
                          D        G  
 And the mountains in reply  
                          D7        G  
 Echoing their joyous strains.

G / E / Am / D / G / C / D7 / / /  
 Glo --- --- --- --- --- --- -ria  
 G            D  
 in excelsis Deo!

G / E / Am / D / G / C / D7 / / /  
 Glo --- --- --- --- --- --- -ria  
 G            D            G  
 in excelsis Deo!

G                    D        G  
 Shepherds, why this jubilee?  
                          D7        G  
 Why your joyous strains prolong?  
                          D        G  
 What the gladsome tidings be  
                          D7        G  
 Which inspire your heavenly song?
