This form to be given to Erin Bodine at the
Thursday morning rehearsals at Grand Assembly

Assembly: _____

My costume is: _____

My costume represents: _____

The Grand Representatives Parade is presented during the Friday afternoon Business Session.

Please put some creative thought into your costume – a t-shirt with painted pictures does not work. You can represent either one or all of your jurisdictions in your costume. Do not make your costume too complicated. It must go over your formal and go on and off easily.
