Benefits to Upgrading Your Car Washing Capabilities

- Increase Revenue and Retain More Customers
 - customers will attach higher value to doing business at your store
 - you will be able to wash every customer's car every time they visit you
 - add complementary carwash to all of your promotions and advertising
- Decrease Overhead Expenses
 - fewer porters required
 - your porter's time will be better spent on more productive actions
 - you no longer will need to hire a company to spray clean your inventory
 - any associate can wash and dry a vehicle in less than 3 minutes
- Increase Customer Satisfaction
 - replace the ugly, scary and usually broken "Scratch & Rinse" roll-over machine with an attractive and effective car wash that your customers will trust to wash their beloved cars
 - wash and dry cars in a fraction of the time with a higher level of consistent quality

Custom Carwash Concepts can help you with any car washing equipment needs. We are distributors for many of the most popular equipment manufacturers.
