Actual Sizes

Job labels are editable. Primary labels contain rebus images.

32 Elementary Student Labels

32 Primary Student Labels

All student labels are editable. Primary labels are easier to cut out.

Markers for Student Labels that aren't being used staple onto your classroom wall.

Choose your jobs (or make your own), staple on the wall, and you're ready to go!

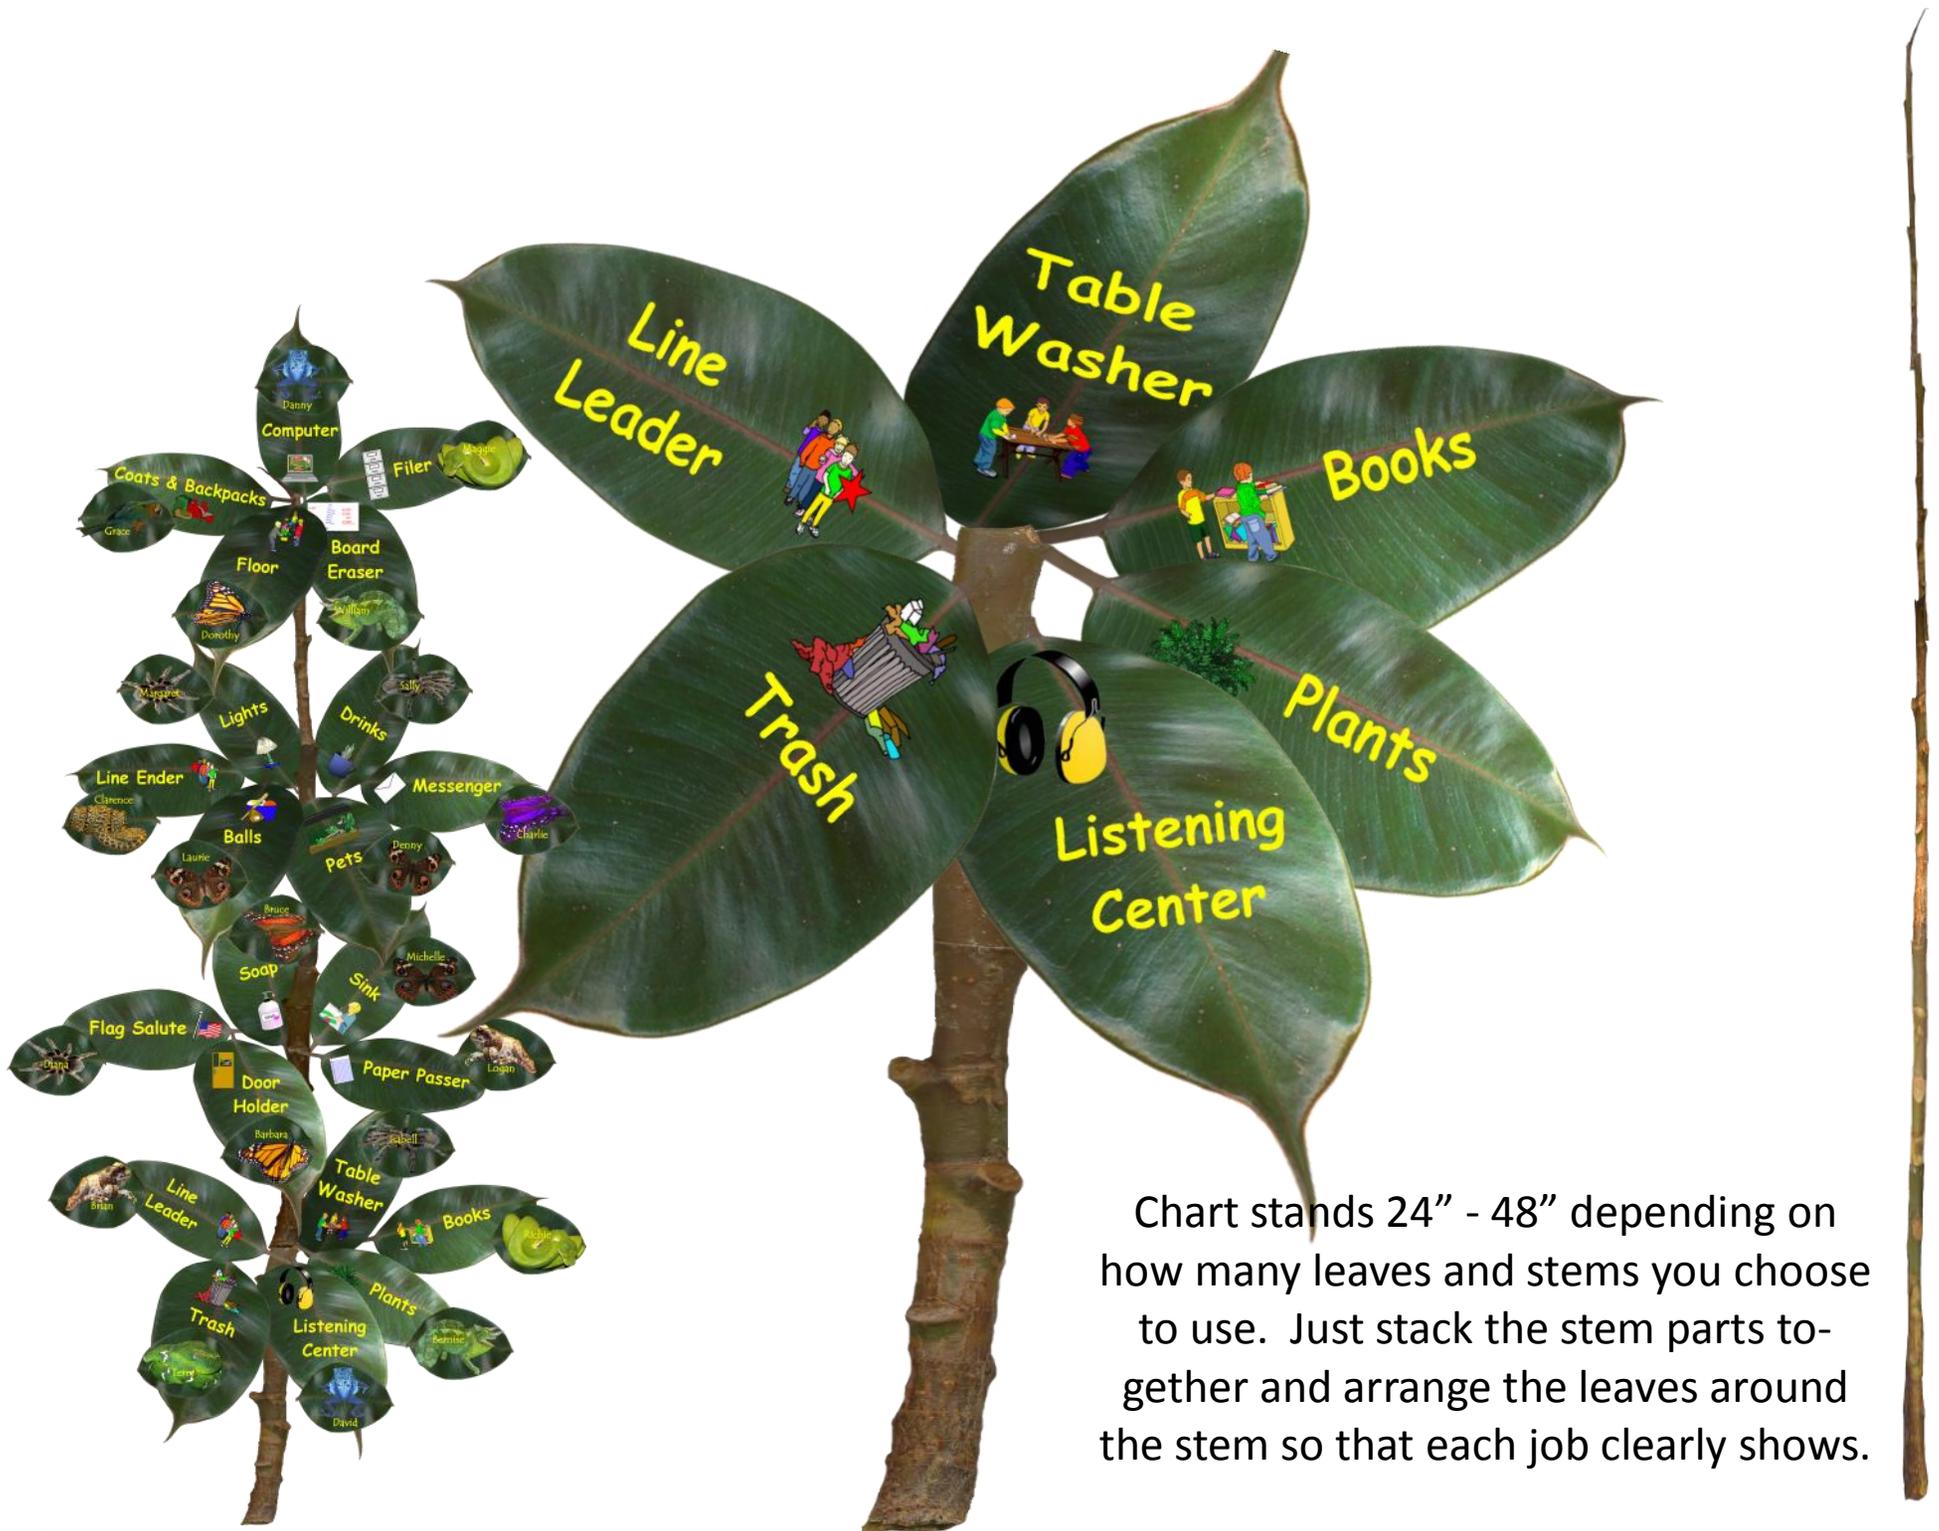

Chart stands 24" - 48" depending on how many leaves and stems you choose to use. Just stack the stem parts together and arrange the leaves around the stem so that each job clearly shows.
