**Water Bottles** labeled with your child's first and last name

We ask that all students bring a labeled BPA free (16oz or less) water bottle to school daily. This will eliminate the enormous waste of paper cups that are used each day. We have bottled water for children to refill their water bottles if needed. Also we feel that this will encourage the children to drink more water throughout the day.

**Placemats** labeled with your child's first and last name

We ask that all children who bring a lunch to school, to please provide a material placemat in the lunch box daily. It will be taken home each day to be washed and returned the next day in the lunch. (A helpful hint is to pick up a few bandanas or material placemats to last throughout the week.)
