CAMP SERTOMA

Our main goal is to support hearing health in the Lexington Community while sponsoring other community needs.

The Club's community support includes:

- Camp SERTOMA
- National Heritage Program
- Service To Mankind Award Banquet
- Lexington Dixie Youth Baseball
- Lexington School District 1 Education Foundation
- Enhancements to Lexington Town Parks
- Meals On Wheels
- School Backpack Fund
- Kid's Day of Lexington
- Christmas in Lexington County
- Camp Wonderhands
- Samaritan's Well

Your generous sponsorship or participation will go to support things like sending local children to Camp Sertoma. This amazing week takes place on Lake Hartwell at the Clemson Outdoor Laboratory, and

puts special focus on children that may be less fortunate or have some level of speech or hearing impairment. The week long camp challenges these youth ages 7-13 on the athletic field, in the woods, and on the water to stimulate development of the child's inner strength. Furthermore, campers develop leadership, teamwork, perseverance, understanding of and love for others. The Lexington club will fully sponsor four local campers this year.
