Inspection Outcome

Comments
Establishment operating without hot water since 11 am. Time is 3:45 pm now. No hot water = not staying open. Must close without hot water. Nobody being served until hot water is operational again. Plumber will send verification and I will call to confirm and reopen to patrons. A Plus plumbing sent verification at 4:01 pm that hot water was repaired. Talked with Evans Buan. Water is getting hot and ok to reopen.
