Dear Family, Friends, Campus Booster Clubs, and Community Members:

The Stony Point Project Graduation Committee is a group of parents dedicated to providing a safe, alcohol-free, and drug-free senior class event! Project Graduation is run by volunteers and is funded 100% by donations and contributions. Our goal is to raise enough money to allow every senior to attend the safe graduation celebration for free. This year's event will be a parade and end at Old Settlers Park where we will have tons of fun activities, food, and prizes so that our Graduates can have a memory that will last a lifetime!

Since the event is completely funded by donations and contributions, we are reaching out to our campus and local community for donations to ensure that the event is a success. There are nearly 600 students graduating this year from Stony Point High School. Your donation will help pay for food, games, activities, and prizes at the graduation celebration. We know that every organization on campus has at least 1 senior. Can you please see if you have anything you can give to support them?

There are several ways YOU can help make the Class of 2021's Project Graduation a HUGE success.

- 1) Make a donation of any amount via our website or provide a personal or company check
- 2) "Adopt-a-Senior" - Please consider sponsoring 1 or more seniors for **ONLY \$60/each**
