The year is moving swiftly!!! Merry Christmas and Happy 2021!!

Thank you all for being diligent knowing these times are new and undetermined for everyone. As we prepare to obtain some sort of normalcy, I am thankful that all auxiliaries are now starting to get underway and get their service projects going again.

Please remember to share information from the Department with your local auxiliary sisters, as well as any deadlines that are in this hotline. We want the communication to remain open amongst the auxiliary. Let's stay on the same page.

My project again this year is Transplant Patient Assistant fund. This is a Community service project to assist persons on their journey of continuing life through a transplant. My theme this year is "Dare to Dream while on your journey." I want to thank those Auxiliaries that have donated to my project thus far, if you have not already made a donation please consider donating to my project, this is a worthy cause. You can read about my project and why I chose this project on the AMVETS Auxiliary webpage, www.amvetsflaux.org.

A survey has been sent out and all results should be in to the Executive Secretary no later than December 29, 2020. This will help determine if there will be a February SEC; if so, the National President Dee Baggett will join us. In lieu of having a President's reception, we will have a New Year's themed celebration for Honors and Awards. This will be the time of recognition for all of your hard work and dedication.

I encourage all members, that are able, to attend SEC's and June Convention. In attending the meetings whether you are a veteran or if this is your first meeting; you will learn something new and be able to take information back. We will also have a School of Instruction that will be hosted by the PDP's of the Department. This is a great time to get your questions answered. If you cannot make it and have a question give us a call and we will assist you. We are all here for you. "We are Family."

All Department Officers are asked to send in a floor report no later than January 26, 2021. If it is determined that there will not be a meeting, we will have an executive board meeting as before, an Auxiliary book will be made with a hard copy mailed out to local SEC women and emailed to Department Officer and local Presidents. It is imperative that we have the correct email and phone numbers for all Presidents and SEC Women.

If you have further questions please ask. We are here for you!
I am looking forward to all of us working together because, "We are Family"!!! I can't wait to see you all soon!

Continue to be safe and healthy!!!

Greetings Ladies,

It's hard to believe this crazy year is coming to a close. I hope you are all staying healthy and safe during this time of uncertainty.

It is that time of year when we need to be finishing up with our renewals. Remember the cutoff date for renewals is December 31st. They need to be in the hands of our executive secretary, Jerri Devoll on or before January 15th. Please remember our deadlines!

I hope you, as membership chairmen are keeping in touch with your members. A phone call or a little note can go along way with members we don't often see.

I have been honored to be your 1st Vice President and have enjoyed meeting many of you and supporting you all in your membership efforts.

In closing, due to the uncertainty of having a February SEC I would like to ask you for your support as I seek the office of Department President.

May you all have a happy and healthy holiday season.

Yours In Service,
Debbie Beck

Greetings Ladies,

February State Executive Meeting is hopefully quickly approaching. In order for your Child Welfare Evaluations to appear in the S.E.C. Book, all Local Child Welfare Reports **must be in my hands on or before January 09th, 2021**. I thank you ahead of time to adhering to this deadline date.

Thank you to the Auxiliaries who thought out of the box and have continued to report.

All reports must **be on the most current Report Form, legibly written or typed**, a list of **all** volunteers that participated with that function, **with their actual hour(s) donated, and actual miles** of the **volunteer who drove**. If you carpooled ONLY the driver gets the mileage, a description of when the project was completed, who it benefitted and a description of what took place. Then, the Child Welfare Officer needs to ensure all math calculations are done/correct on the Total Evaluation amount, must be **signed** by the 2nd Vice President and **completely filled in** with Name, address, working phone number (not the Post phone number) in case there is any information the Department Officer may need some clarification, and an email address if you have one.

Reminder, April is John Tracy Clinic month. If you have not scheduled a function, it is never too late to do so.

Since at this time we are unsure of having a February SEC, I would like to state my intentions for seeking the Office of Department of Florida's First Vice President for the year 2020-2021.

GOD Bless

December 2020

Wow, can't wait for 2020 to be over. This has been a hard year for all of us, but also a learning experience. For some of us it has been a time of self-journey and reflection. As we have learned to deal with the pandemic in our own ways, we have struggled with isolation, depression, and hardships to include loss of our freedom in ways. Yet we have learned patience, understanding, resilience, independence, and acceptance and most importantly of all is perseverance. In many many ways these are things our Veterans go through on their deployments, serving in conflicts, wars and in their daily struggles. Not only does it make me appreciate them more but at this time I would like to thank them for their loyalty, heart, and most importantly service to our country.

On Saturday (if we have an SEC) we will be having a School of Instruction chaired by PNP Charlene Kee. Please remember this training is for ALL Members holding a position or not. Please bring your National Manual and Dept By-Laws, if you don't have one our Quartermaster will have them for sale at the back of our meeting room.

I would like to remind you your local checks should have two signatures on them. Do not allow anyone to tell you any different. You should never write a check unless it is approved. It protects both you and your local that other members are aware of the checks written. It is also best to have checks written put in your minutes of the meeting. You, as the Treasurer, are ultimately responsible for keeping the memberships money safe and to always have your books with you and available at all meetings for members to see especially when questions come up.

Also make sure when giving your local report you have written copies for your Local President and Secretary, you should also have copies available for membership to view and follow along. This helps resolve many questions before they are asked because they can follow what you are talking about. Most importantly keep up the good work and thank you for volunteering for your local.

As we head into 2021 our future is unclear in a lot of ways. Whether or not we have our SEC, what we will still face in this pandemic, when it will end, etc. So again we learn to trust and rely on our faith, getting back to basics. When all is said and done, it is the people our lives that make it special. I hope you all know how thankful I am for my auxiliary sisters. I am here for any of you Treasurers that have questions. I really look forward to our time together and I have missed it. I pray each one of you keep safe and have a blessed holiday season.

Until we meet again hugs to all.

Greetings Ladies,

Well the holiday season is upon us. I know this is a very busy time of the year, but please let us give thought to those that are spending the holiday in a hospital or rehab center.

I have had some reports coming in, thank you ladies you are doing a great job. I believe this year when it comes to reports we may need to think outside the box. We need to come up with other ways to get service hours for our reports. Let's keep sending in those Hospital reports. Let's keep helping hands for Hospital. **Reminder that service reports are due in my hands by January 9, 2021.** I pray everyone is staying safe in this difficult time. Hope everyone had a Happy Thanksgiving. Merry Christmas and Happy New Year's everyone and let us pray 2021 is a far better year than 2020. Stay safe looking forward to seeing everyone in February at SEC.

December 2020

Greetings Ladies,

I am pleased to announce that the AMVETS Ladies Auxiliary Department of Florida Scholarship for the 2019-2020 year was able to provide an award amount of \$510.00 (five hundred ten and 00/100 dollars) EACH to two recipients: Hannah Fitzsimmons and Gabriella Gormas. Thank you! It is through your local efforts that this was possible.

The effect of disbursing the scholarship funds is that we now have a need to replenish the fund in order to award more deserving recipients. I understand the challenges that we are all facing with the pandemic. However, please consider a fundraiser for scholarship if you are able. If each Auxiliary would donate even \$25.00 each, we could surpass what we awarded for the 2019-2020 year.

As a reminder, the AMVETS Ladies Auxiliary Department of Florida Scholarship application form is available online. You may access the application on the website: www.amvetsauxfl.org. The AMVETS National Ladies Auxiliary scholarship application forms are available on the website: www.amvetsaux.org/scholarships.

The Joseph L Kee Jr. Service Award is offered by the AMVETS Department of Florida Service Foundation. Please reach out to me if you need a copy of the application form.

When applying for scholarships, *please make sure to use the correct form, fill it in completely, and to submit all supporting documents as requested*, so as not to be disqualified for improperly completing the forms. You may reach out to me at any time for assistance obtaining applications or completing the forms.

Thank you for continuing to submit your reports timely and completely!

As a reminder, local service reports are due **in my hands** January 9, 2021 in order to be included in the February SEC book.

I wish you all a blessed and safe Christmas and a prosperous and healthy New Year.

I look forward to seeing everyone when we are able to again meet in person.

I am sending the warmest of Holiday Wishes to all and ask that we check on each other as it can also be a time of loneliness to some. We all need a little friendly contact in our lives. As you can see we have lost more members this period and extend prayers and comfort to all of the families and friends of our lost sisters. I will and I encourage you to reach out to members we have not seen in hopes they are all well. Please continue to notify me of any illness, life events, and of course passings that affect our members. We all look forward to getting back to normal soon and send my regards to all.

Greetings Everyone!

Here we are again – not knowing! One thing I do know is, considering the past year of this Coronavirus, you have done an outstanding job with the restrictions you’ve had!

Mid-year totals have been forwarded to and received by the respective National Service Officer. A detailed stat sheet will be included with my book report for the February SEC, but a brief synopsis is, as of November 15th there were 18 Auxiliaries reporting with a Total Evaluation (all service areas combined) of \$135,838.

At this time, we still need to keep thinking outside the box to assist our communities, children, and veterans. Unfortunately, there is no “expiration date” for this madness to end.

Just a reminder, service reports from the Local Auxiliaries are due to respective Service Officer (in their hands) by January 9, 2021 in order for totals to appear in February SEC Book.

It has been an honor and privilege to serve you as your NEC Woman and I have strived to do my very best for you as your representative to National. So because of the “unknown”, I would like to ask for your continued trust and support as I seek the office of NEC Woman for a second term.

Hoping to see everyone soon!

After a challenging 2020, we are anxiously awaiting for what 2021 will bring and may look like, as we slowly reopen our AMVETS Post and Auxiliaries begin meeting. Let's remember to read our Preamble, Aims and Purposes, Code of Ethics, and what we stand for.

Presidents, please share the Local Officer's Training Material that was sent out in October/November. Hopefully, the information will be used to strengthening your auxiliary during this pandemic.

All local Bylaws shall be approved by the Department President and Parliamentarian. Bylaws shall be studied for revision every three years. Don't forget to include the bylaws cover sheet when mailing bylaws and complete the information at the top of the form which includes the person sending the bylaws, address, telephone number and e-mail address. The bylaws cover sheet can always be printed from our website listed under forms. Remember, (1) one copy of your minutes and three (3) copies of bylaws signed by the President and Parliamentarian. Also, minutes should always include the actual motion approving the bylaws changes.

The following Auxiliaries bylaws are due no later than May 10, 2021:

Auxiliary #7	Auxiliary #16	Auxiliary #21	Auxiliary #29
Auxiliary #32	Auxiliary #45	Auxiliary #50	Auxiliary #88

December 2020

It is not fair that the majority of you that follow instructions and use the proper forms, and you have to keep hearing me harp on this, but a few of you believe you are above the rest, well you are going to continue to get your work back until you decide that it is easier to do it on the current form and do it only once and do it where it is legible. If we are working toward a deadline, you will still get it back and miss the deadline. Watch your work, if you cannot read what is on the form or cannot see the edge of what you have written, (any form) If I cannot read it neither can National. I do not take pleasure in sending work back to you to be fixed but I cannot send it on to National when it is not right. Proof your work and you will save yourself (and me) some headaches and money. Please quit sending me too much money that really slows things down.

TWO SIGNATURES ARE TO BE ON ALL CHECKS. I have made up cheat sheets for all the membership chairmen and they were in the packets that your SEC got ohhh so long ago. I will make copies again for you and have them in the packets for February.

After December 31 use the RJ - Rejoin code for members that paid for 2020, and is late in paying for 2021 do not use R - for renew Annual. All other members will be coded as N - New Member (if they were a member in 2019 or prior, they are not rejoins they are **new members**). If in doubt please call me and ask questions.

Once more, I am repeating myself, **THROW AWAY ALL YOUR OLD FORMS DELETE THEM FROM YOUR COMPUTER AND DESTROY THE CD THAT YOU WERE GIVEN IN 2018....** use the cd that your SEC received in October 2019 or go to the website and download what you need.

Do **NOT** modify any of the forms. If you need fresh forms go on the website and download them from www.amvetsauxfl.org.

Membership is coming in really well considering the circumstances that we have been under for so many months. As I write this article so far we have a total of 3,881 members for the 2021 membership year; 1,748 annual members, 1,534 Life members, and 599 new members. Keep those memberships coming!!!

Greetings Ladies:

I just can't believe that it has been almost a year since I have seen any of you. I cannot tell you how I am looking forward to seeing as many of you as possible in February, 2021. Please make plans to attend our February, 2021 SEC.

I am hopeful that you all have taken the time to read the minutes from the E-Board meeting which took place in October as well as the suggested changes to the By-Laws which will be read in February on the floor. These should all be posted on our website so please take the time to read them. The website is **amvetsauxfl.org**. Be sure and check out the website as there is all sorts of information and forms that are available to you.

I know I sound like a broken record, but if you are going to answer roll call, please be ready so roll call will move as quickly as possible. Please speak clearly so that I can accurately record those who are present. Be sure to be on time so that you will be present when your name is called. However, if you come in late and missed your name being called, please go to the microphone and announce your presence so that the minutes will be correct.

Remember the only person that can excuse a President or SEC woman is Madam (Department) President. The Alternate SEC may answer roll call if the SEC woman is not present BUT she must be listed on the revalidation form for your Auxiliary. No one can answer roll call for their President.

I am looking forward to seeing all of you in Orlando, in February, 2021.

I want to wish each and every one of you a safe and merry Christmas and a happy New Year. Please stay safe in these very trying times.

I would like to say that I am eager and willing to continue and proceed as your new Quartermaster and am looking forward to our next SEC. I am also interested in anyone that is considering getting involved in assisting me at our SEC's, weather it is in assisting at the booth when we are open or even giving suggestions on new apparel to bring at future conference's. Greetings everyone,

WOW ! Nothing has changed since my last hotline, what a year.

Most of our auxiliaries are not meeting and volunteering in the community but surprisingly they are thinking outside the box and making it work. Most importantly our Department President is not able to make visits and have pictures taken for her book.

Because of this Global Pandemic, I am asking those of you who continue to meet, volunteer and think outside the box to please send pictures to be added to Madam President Presley picture book for truly 2020 will be a year we will never forget.

Thanking you in advance for your participation and helping Madam President with her book of memories during her term.

If you take pictures and/ or newspaper clippings of your auxiliary during these times, please send me a copy as well to be added in this book. If you have any questions, please give me a call or email me.

Stay safe and happy holidays,

Greetings:

Prayers to you and your families that you are all doing well during these times of the Covid-19. I hope you all have a Merry Christmas and blessings for a safe, healthy, happy New Year. This year has been difficult for our Juniors, their families, and friends. Now that school have started, I hope and pray our Juniors, all the children, the teachers, families etc., stay well. I know some Juniors have experienced being quarantined due to exposure to COVID-19 and I find that frightening. They are well but we must keep our guard up.

Our Juniors continue to strive returning to a “normal” way of life. They really miss not seeing everyone and so do I. I know some Juniors have been volunteering safely by writing cards and letters to our active military and to nursing homes as well as helping our SONS deliver packages for Christmas.

As stated in my previous hotline, our Junior Officers remain the same for 2020/2021. Therefore, our Department Junior President, Jovan Rosado, continues his project “Homes for Vets”. The monies collected will stay here in Florida. Looking forward in helping him raise monies for his project. Also, our Juniors continue to collect pull tabs, card fronts and toiletries. This does not cost anyone anything other than some time to collect and bring them to our next meeting.

At this time, I do not know if there will be a meeting in February 2021 but per Department of Florida AMVETS Junior Coordinator, our Juniors will not be attending. I agree with her decision. We need to keep our Juniors and all our AMVET families safe. Our Juniors are in school and may be asymptomatic without our knowing. Safety is paramount and I hope and pray we will get past this soon.

By now, **Junior Coordinators**, you should have remitted your mid-year reports for the Juniors and their membership renewals. If you have any questions or concerns, please reach out to me.

I am available for training and going over the reports by phone or email. I am here to help you grow our Juniors!

Thank you to everyone for your continued support for our Juniors! They are our future.

Hello Ladies

This year will surely be a year to remember as we live in this Global Pandemic, trying to stay safe and keep ourselves and families healthy.

Nothing has changed, at this time I do not have any information regarding our next meeting.

Dare to Dream while on your journey

Greetings

Nothing has changed as we continue to tighten down and be safe in these still uncharted waters. I hope and pray that everyone and their families are safe and healthy. Boy do I miss seeing everyone and getting together with our old friends and making new ones.

We are still in the midst of a Global Pandemic, we are putting on our thinking caps and trying hard to come up with new and different ways of volunteering , serving our Veterans and our communities.

I know there are auxiliaries out there still able to work and volunteer their services. Please remember to continue keeping up with your service reports and turn them in. Coronavirus has not taken everything from us. Let us continue to pray for God's protection during these times.

We have completed all the awards judging for the 2019-2020 year. Just waiting to hear when we can present them.

In the meantime "Dare to Dream while on your Journey", stay safe and take care of yourselves and your families until we meet again.

Happy holidays to you and yours

Hi Ladies,

Thank you for getting along and working together in this pandemic. If anyone has questions on grievances, here's where you can look for answers. On Pages 18, 19, and 20 in the National constitution are the grievance procedures for Locals and Departments. These procedures must be followed. You can find this at <http://amvetsaux.org/> click on publications then look for constitution revised 2018. If anyone has any questions please feel free to call me. Also, according to Article VI, Section (g): "All local Auxiliary problems shall be resolved within the confines of the Local Auxiliary. If and when it becomes necessary to secure further information and advice, the matter shall be referred to the Department President, who shall refer it to the proper Department Officer."

Ladies remember anything that happens inside the canteen is the responsibility of the AMVETS. That is their territory if they wish to have charges to be brought against a member they have to do it.

"Happy Holidays" to all. Hopefully we'll meet in 2021. Until then, Keep up the good work,
