Dear Business Partner:

Five years ago, a group of friends, with Brentwood ties, created the Duttine-Cavataio Fund in response to the untimely death of two, young Brentwood alumni. The first Drop the Puck on Cancer Tournament was held at Brentwood Park to raise money for the families devastated by the loss of their loved ones. The event was a great success as a community rallied to help one of their own. Each year, we have helped several other cancer victims and their families from Brentwood, and the proceeds raised have increased exponentially. Thus far, we have raised over \$185,000.

The 6th Annual Drop the Puck Tournament will be held on April 8, 2017, at Brentwood Park. Once again, we are asking you, our business partners, for your help. This event would not be possible without your support. Any donation you can make is greatly appreciated. We are in need of goods, services and/or monetary gifts for our Chinese Auction. You may also want to sponsor the event by purchasing a sign (of varying sizes and rates), which will be prominently displayed at the event. Last year, Spartan Pharmacy stepped up with a pledge to "Match What We Make in an Hour", so if you are interested in participating in that challenge, we will gladly sign you up.

To make a donation, please contact Jodi Mitchell at 412-848-4331
or jodi@drothepuckoncancer.com

For sign sponsorship, please contact **Mark Harkins at 412-818-6468**
or mark@drothepuckoncancer.com

We are a **501(3)c non-profit charitable corporation**. Our goal now is to make a difference by helping as many local families affected by cancer as possible. To get information about this year's beneficiaries, please click on the following link: www.drothepuckoncancer.com.
