

Tim Roosenberg
Speaker and Author

The headlines are unmistakable. Our world is on the precipice of extraordinary cataclysmic change. The conflict between two great world religions—Islam and Christianity—is fast approaching a devastating climax that will shake the whole world.

Indeed, the face of Europe has already been transformed through rapid Islamic expansion, and the fear of terror and holy war pervade the American psyche as multiple conflicts rage in the Middle East. But what happens next—and when? In

an age of constant unpredictability, how can we really know what the future holds? After a decade of careful study and scholarly legwork, speaker and author Tim Roosenberg unveils a staggering new study of Bible prophecy that demonstrates that the Bible is not silent regarding Islam in these last days.

“Islam and Christianity in Bible Prophecy” carefully explains the mysterious book of Daniel, specifically chapter 11, unveiling a thrilling picture of prophecy that has been accurate for 2500 years and explains the future roles of Catholicism, Protestantism, Islam, and the United States in the final conflict ahead. Along the way, Pastor Roosenberg provides the answers you need to survive the coming holy war, answers that will give you complete confidence in God’s Word and faith in the promises of Jesus Christ. Live God’s love not hate.
