II. How can I get funding to attend the HLPF?

UN DESA-OISC, with thanks to a generous grant from the European Commission, will be funding a number of representatives of Major Groups and Other Stakeholders from developing VNR countries to participate in the 2018 HLPF. The selection will be done by OISC in collaboration with the MGoS HLPF Coordination Mechanism Steering Group. The selected colleagues will receive funding to support airplane tickets, two days of daily subsistence

allowances and terminal expenses during the HLPF. They will be responsible for arranging their own accommodation during the Forum.

Members of the NGO Major Group who wish to apply for funding from the UN to attend the 2018 High Level Political Forum must complete both of the following steps by 22 May 2018.

Deadline: 22 May 2018

2. Inform the NGO Major Group of your application.

If you are a member of the NGO Major Group who is applying for travel funding through UN DESA according to step #1 above, please note that you must inform the NGO Major Group if you would like to be considered as one of our official nominees.

Each constituency of the Major Groups and other Stakeholders, including the NGO Major Group, will have two official nominees from among the applicants for funding. Being an official nominee will increase your chances of receiving funding from UN DESA. Please note however that applying through the NGO Major Group does not guarantee you funding, as there will be many applications for only a few slots and we do not control the final decision. UN DESA handles the grant for travel funding and makes the final decision on who will receive it.
