Parkside Bible Church

Summer 2019

Super Senior Summer Meetings

As summer approaches, the Super Senior gatherings will return to a weekly schedule. Wednesdays will continue to be our

day to meet in the Fellowship Area at Parkside Bible Church. Our summer schedule begins on June 12 at 10:30 am followed by lunch at a local restaurant.* Our meetings this summer will be similar to last year's gatherings - after brief announcements, we plan to sing a hymn or two followed by Bible Study. And, like last year, Pastor Gary or Joe will lead the Bible Study.

The Super Senior Planning Team has been discussing several options for the Bible Study. One suggestion, a study of the disciples and others close to Jesus, was selected. Also, if you have suggestions for restaurants following Bible Study, please let us know.

Last summer we drove to Maranatha Bible Conference to hear one of their morning speakers followed by lunch. If there is enough interest in a visit to Maranatha, another trip will be planned during one of our Wednesday meetings. Please let the Super Senior Planning Team know if you are interested in a Maranatha visit.

Mark your calendars for each Wednesday starting on June 12 and continuing through September. The only exceptions are July 3 (4th of July holiday) and July 31

(Kids Camp) with no meetings planned for those two weeks.

* Tentative plans for restaurants:

June 12th James Street Inn

June 19th China Inn

June 26th Russ' (on River St.)

May Meeting

Thirty Parkside Super Seniors gathered for their May 29th meeting in the Fellowship Area. Dr. Suzanne McDonald, Professor of Historical and Systematic theology at Western Theological Seminary in Holland, was the special guest speaker. Her presentation was entitled **Dealing Faithfully**

with Dementia. She reviewed a brief history and the prevalence of dementia over recent years. Suzanne then picked up the theme of Holy Saturday, the day between the crucifixion and resurrection, and how the disciples reacted to Jesus' death. It illustrated how their reactions can teach people how that period mirrors those suffering with dementia. The reactions the disciples displayed also apply to

Planning Team members Sharon and Ethel prepared a great lunch

those serving as care givers for loved ones with dementia.

She offered a number of suggestions that family members, loved ones and care givers can use when interacting with a person with dementia. After concluding with several personal experiences, Suzanne responded to a number of questions and

comments from the group. It was a wonderful time to learn and reflect on this important issue.

Boradman's sons and a grandson live in Holland and the others reside in Virginia.

Bob and Rosey have attended Parkside since 2001 and became members four years ago. Both attend the Bible Study Fellowship. Bob serves in several capacities at Parkside: Prayer Warrior, Usher, Welcome Center, Count Team and is a member of the Church Board.

Both Boardmans volunteer at the United Way and the Salvation Army. They enjoy board games, card games, socializing with friends, condo activities and cruising. Bob and Rosey typically spend April at the Villages in Florida.

They are looking forward the summer and activities with the Parkside Super Seniors.

Super Senior Profile

Bob and Rosey Boardman

Bob is originally from Pasadena, California while Rosey came from Fort Wayne, Indiana. Jobs brought them to Holland in the early 1980s where Bob worked with the Worden Company for 20 years and Library Design Associates the last ten years. Bob has

designed and furnished libraries across the country. He retired in 2011. Rosey was employed with Magna/Donnelly in payroll until she retired in 2008.

The Boardmans call Holland home and have lived here most of their lives. They sold their home last year (2017) and have downsized when they moved into a zero-step condo at Point Lake Village. They love it there!

Theirs is a blended family with two sons, a daughter and five grandchildren - three boys and two girls - ranging in age from three to eight years old. One of the

Kids Camp

Kids Camp is coming! July 29th-August 2nd, and are hoping to have over 100 kids attending. Because this is a massive event, much help is needed. How can you help?

Part of the appeal of kids camp is that there are 45-minute break out activities where kids can learn a new skill or get better at something they know. What's something that you love doing? Crafting? Fishing? Woodworking? Dance? YOU are needed to lead a workshop. Your passion is contagious. Talk to Pastor Joe for more info about how you can serve at the Parkside Kids Camp.
