Annual Meeting

Our Annual Meeting was held September 19th at VEsprit (thank you Cindy Wagner!). We had approximately 13 homeowners represented at the meeting, along with the Board. This was our first in-person meeting since Covid, so it was nice to see all of you in attendance...thanks for coming! The Board had 4 openings due to a couple resignations this year, and as you know we only had 3 names on the ballot. Thank you to Dave Estes and Lynn Walton for re-upping and staying on the board for another term! Welcome to Jennifer Vaughan, and we also had a write-in nomination at the meeting, Matt Lenhart...the Board welcomes you and we look forward to working with you both!

Upcoming Events

One of the most anticipated events we hold is Dumpster Days. The day the dumpster will be

delivered is a change from the past, so please make note...it will be delivered on THURSDAY, October 20th - FRIDAY, October 21st. Just a reminder also to please be respectful of your neighbors and "walk" your larger items to the back of the dumpster so there is plenty of room for all those that would like to participate, to be able to do so! Please do NOT leave any items outside of the bin. We know everyone looks forward to this event...thank you for your cooperation in making it a success!

Holiday Party

We are looking forward to being able to hold an in-person event this year (or early next year!).

Hold tight for more information in the coming months!

The Board would like to send a big shout out of thanks to Norm & Karen Carter who fixed the Andover Glen monument at the entrance on Dillon. We thank you and appreciate your kindness!

Thank you to everyone that came out for our annual summer picnic (1st since Covid).

It was great to see so many new faces and of course all the "old faces" as well...no pun intended!

A special thank you to Duane Bredel for grilling up some delicious hamburgers & hotdogs, and of course everyone that contributed so many wonderful dishes to share! It was wonderful to see so many kids playing and everyone having so much fun!

For those of you that play tennis/pickle ball...you might have noticed we (thank you Dave Estes!) tore down the old shed that was in the courts, in preparation for the courts to be resurfaced. It was thought this was going to be done this fall, however as it turns out, the company we originally hired to do the work, isn't working out. So... since most companies are already booked through the end of the season, it will most likely be spring before the resurfacing gets done. Thanks for your patience!

As there seems to be an increase in "mail thefts" in the area, more and more homeowners have replaced mailboxes with locking mailboxes. If you are thinking about getting a locking mailbox, feel free to ask a neighbor that has one...there are many out there! Also, remember to always lock car doors and don't leave anything of value in the car. Please report all crimes to APD. The non-emergency line is 303-627-3100, and of course if you see a crime in progress, call 911. Also feel free to contact our Par Officer, Stacey Sparks - ssparks@auroragov.org 303-627-3175.

The Board will be talking with the Neighborhood Watch rep from Woodgate and planning a joint neighborhood get together at the park...stay tuned for more information on that!
