

## Dunn Loring Swim Club Waitlist Application

Since Dunn Loring Swim Club is restricted to a total of 625 member families, we can only offer new memberships as existing members resign, typically about 60 per year. But this varies considerably so we cannot predict how long you will wait. In 2021 the wait is generally 3-4 years.

The Dunn Loring Swim Club is a non-profit organization wholly owned and operated by its members. Each member purchased a share of the Club and its facilities when they joined. When offered membership you will purchase an Equity Share for \$800. This amount is refunded when you resign your membership. The other cost to join is an initial non-refundable fee of \$400. Each year members also pay for the operation and maintenance of the facilities. This annual dues payment is \$575 in 2021, but the amount can change. Members also have the option of putting their membership on inactive status at the cost of \$100 instead of paying the annual dues. This option will, without exception, preclude any access to the club during that season.

Prior to a Full Membership offer, waitlist candidates may be able to access all pool facilities and activities via a Summer Rental for \$775. We offer about 70 of these rentals a season; but that number can vary widely as the actual number depends on how many members put their membership on inactive during that season. We offer these spots as a Summer Rental. We cannot guarantee that you will, after receiving one, receive a Summer Rental in subsequent years.

Finally, we offer an August-only Guest Pass to pool facilities – but not swim & dive team activities. This pass is offered to waitlist candidates who are on the waitlist by July 4<sup>th</sup> and as the Board of Directors determines availability. The passes are awarded on a first come-first served basis each year. In 2019 the cost was \$225. Because of the health crisis, we did not offer August Guest passes in 2020.

- Offers are made in waitlist order, being made first to the candidates who have been on the list for the longest time.
- Membership is only offered once to each candidate. If a membership is offered but not accepted the candidate is permanently removed from the waitlist. This applies only to membership, not Summer Rental or August pass opportunities.
- Only perspective members can join the waitlist. When a membership is offered it can only be offered to and accepted by the name and address on the waitlist. We do not allow “stand-ins” or “swapping”.

Please fill out, cut off, and return the form below to add your name to the waitlist. A \$50 Registration Fee is required, payable to the Dunn Loring Swim Club, which may be given to the club desk attendant, or mailed to Dunn Loring Swim Club, P.O. Box 87, Dunn Loring, VA 22027. When we receive your payment, your name is added to the waitlist in order of receipt and you will receive a confirmation email. We will notify you when Full Membership or Summer Rental is available. If you have further questions, please e-mail the business manager at [Membership@dlsc.net](mailto:Membership@dlsc.net).
