

THE HAGUE CHRONICLE

VOLUME 15 No. 9

SEPTEMBER 1986

DON'T DRINK THE WATER!

The Lake George Association (LGA) and the Lake George Association Fund (LGAF) sponsored a Conference on Enforcing Sanitary Regulations to help prevent further bacterial pollution of Lake George, on September 11. All public officials of lake area municipalities, building inspectors and zoning administrators were invited to attend. Speakers were: Mary Arthur Beebe, Executive Director, LGA, Larry Eichler, Fresh Water Institute (FWI), Bill Lamy, Senior Sanitary Engineer, DEC, Brian Fear, New York State Dept. of Health, Dan Olsen, Sanitary Investigator for Warren County Lake Affairs Committee and John Banter, APA.

Results from the FWI water monitoring program continue to indicate high levels (over 200 per 100 ml) of fecal coliform count at 12 shore areas around Lake George. At this meeting it was stressed that areas that do NOT appear on the sampling list should NOT be assumed to be free of contamination; the FWI has limited funds so tests are conducted in areas that have physical characteristics that potentially have the highest risk of causing pollution. All speakers urged individual home owners taking water directly from the lake to either boil the water for two minutes or use a water purification system prior to using the water for human consumption, particularly when the water intake pipe is in less than 15' of water.

Failing septic systems are believed to be the major source of pollution. DEC and DOH are primarily concerned with public facilities or subdivisions of five or more housing units. Warren County has recently hired a full-time sanitary inspector to track down sources of pollution. Under the present regulatory structure, Towns have the most authority to close down residences and/or businesses that violate the sanitary code. This can be ordered by the Town Health Officer, or in the absence of such an officer, by the Town Board acting as a Board of Health.

As individuals we can all immediately take a step to reduce septic system failure: **REDUCE WATER USAGE!** A septic tank will treat sewage more completely when water use is low. The excrement from toilets must remain in the septic tank to be treated; if water pours through continuously and rapidly, the tank overloads. Instead of settling to the bottom and being eaten by bacteria, large pieces of undigested feces may be pushed into the drainfield and the soil clogs. The less water that passes through the system, the more porous the soil will remain giving the soil surfaces more time to aerate, thus lengthening the life of the drainfield.

As individuals we can stop using fertilizers on lawns as these leach into the lake adding nutrients to the water which promote plant and algae growth.

As individuals we must act responsibly on a day to day basis if we want to continue to enjoy Lake George. We can't depend on others to preserve Lake George for us....AVC

LANDFILL NOW ON WINTER SCHEDULE

As of September 11, the Hague Landfill is on its winter schedule.

OPEN - Saturday to Wednesday - 9 AM-5 PM
CLOSED - Thursdays and Fridays

1986 ADIRONDACK BALLOON FESTIVAL

The 1986 Adirondack Balloon Festival has the theme "AMERICA" and will have one of the largest hot air balloons flying during the event. The balloon, "Free Lady," which is over 170 feet tall and an exact replica in every detail of the Statue of Liberty located in the New York harbor, will fly at the festival.

Dates for the festival are September 18-21. On Thursday afternoon a wedding will take place in a balloon inflated in the middle of Glen St. in Glens Falls. Friday afternoon activities will move to the campus of Adirondack Community College and on Saturday and Sunday will be held at Warren County Airport. All festival activities are open to the public free of charge.

CAN YOU READ THIS?

Are you willing to help others so they can? Literacy Volunteers of America-Ticonderoga Area, was organized in February 1967 to help fight illiteracy in the Ticonderoga, Hague, Putnam and Crown Point areas. This group provides one-to-one tutoring for adults who need help in reading. Currently six trained tutors are working with students. On October 20, 1986 another tutor-training session will be held. Tutors are asked to make a commitment to eighteen hours of training and one to two hours per week of tutoring. If you can help - or if you know of someone who wants to be helped - please call LITERACY VOLUNTEERS OF AMERICA at 585-4454.

AMERICAN LEGION

Regular monthly meeting of Hague Post 1538, American Legion, will be held at the Legion Home on Wed., October 1 at 7:30 PM, at which time reports will be heard from the building addition and the floor covering committees. Refreshments will be served following the business meeting.

At the meeting of the Warren County Organization, American Legion, held at Hague Post on Sept. 10, Post 1538 was awarded two citations for exceeding membership quotas for 1986 by the Department Commander of New York State, and was one of only two Warren County posts so honored. Paid membership for 1987 already stands at 76%, and any member not yet paid is urged to do so in the near future, as post officers are hopeful that we can meet our goal of 67 paid members before the middle of October. Dept. Commander Sam Ketcham of Long Lake will make his official visit to Warren County on October 22 and will be honored at a dinner meeting at Lake George Post 334, for which tickets will be available in the near future.

HIGH PEAKS AUDUBON SOCIETY

The High Peaks Audubon Society, Laura Meade, president, is sponsoring a special program on September 17 at 7:30 PM at the Elizabethtown Social Center. Mr. Vern Lamb, award winning Adirondack photographer will be presenting a slide show, NATURE THROUGH MY EYES. The public is invited to attend what should be an unusually interesting presentation.

FLU SHOTS WILL BE GIVEN IN TOWN HALL SOME TIME BEFORE OCTOBER 20. CALL DIANE AT 543-6161 FOR INFORMATION.

HAGUE TOWN COURT 8/27 - 9/10

Bill Butler was brought before the judge on a charge of harassment in a bar. He plead not guilty and trial was set for 9/10/86.

Brett Gudikunst plead guilty to a charge of having an inadequate muffler and was fined \$25 plus \$10 surtax and was advised to have muffler repaired.

Tom Holman was charged with endangering welfare of a child, resisting arrest and assault, third degree. Charges were merged to third degree assault and he was remanded to the Warren County Jail for thirty days to be followed by 60 days in an alcohol rehabilitation center.

Mrs. Tyburski was charged with failure to keep right, as a result of an accident near Indian Kettles. The charges were reduced to parking in prohibited area and she was fined \$50 plus \$10 surcharge.

A Connecticut driver was charged with DWI, charges reduced to DWAI. Fined \$250 plus \$60 surcharge.

Mr. Gloding was charged with "boat numbers not legible". He was fined \$5 plus \$10 surcharge.

Mr. Anatole brought charges against Morgan Marine in Small Claims Court, claiming negligence to a boat trailer. Since Morgan Marine was not represented, Mr. Anatole was awarded \$141.80 for damages. Court costs were \$3.67.

Tim May was charged with DWI. Charges were reduced to DWAI. Since this was a second offense, he was fined \$350 plus \$10 surtax. On a charge of failure to keep right he was fined \$25.

Lex Patkuf, Springfield, IL was charged with grand larceny third degree. Charges were reduced to petty larceny, a Class A misdemeanor. He was fined \$250 plus \$60 surtax, and time served.

Bill Butler came before the judge on the harassment charge to which he had plead not guilty two weeks earlier and trial date set for 9/10/86. At the suggestion of Judge Yaw, the plaintiff, Mr. Richard Stormer and his daughter Joanne, shook hands with Mr. Butler and the case was dismissed.

SIMPLE SUMMER PLEASURES

Sitting on a Hague Park bench and watching young gymnasts hand stand and back flip on the grass.

Viewing the Adirondacks as you ride down Rt. 8 past North Pond towards Chestertown.

Showing our North Country, particularly the lake and Hague to "first timers" - how thrilled they are.

Watching that turkey disappear as young oak for "seconds" and "thirds".

Hearing someone else mowing your grass.

Greeting summer friends at church or supermarket.

Enjoying the good air, rain or shine.

Just being here with the peace, quiet and good books..MB

TOWN BOARD MEETING 9/9/86

Town Board approved by resolution the changes in Hague's zoning ordinance which had been recommended by committee to study said changes. The proposed changes have been sent to Warren County Planning Board and to the APA for their approval. The committee was commended by Supervisor Bolton for its untiring efforts in updating the zoning book. Next efforts will be put on the sanitary code and the subdivision regulations to update them to our needs. When zoning changes have been approved, a new book will be published. The last one was published in 1977.

A letter from Mr. Abrams, head of the Sanitary Landfills in NY State, stating the urgent need to review landfill procedures, particularly in regard to dumping hazardous waste materials.

Committee reports: Jim Braisted reported that a cement enclosure would be erected around the wood stove at the Town Shed in accordance with fire safety regulations. Electric work including a new breaker box will be done. A retaining wall on the back of the parking lot at the Town Dock is to be built. There are major problems with the wall on the south side of dock. It was decided to make the repair and beautification of the dock property into a five year project.

Highway: A resolution was passed to transfer funds for a one-ton dump truck with plow and sander at a price of \$29,000 and to repair the grader at a cost of \$6,695.23.

Planning and Zoning: The opening on the Zoning Board of Appeals will be made next month. There have been several people who have expressed interest.

The town will purchase a software system for its computer, designed specifically for the town of Hague, from RDA Systems Inc. for \$7,000.

The request from the Van Buren Bay property owners to make a 5 mph speed limit through the bay was discussed. The Town Board will continue to pursue this problem.

Supervisor Bolton announced plans for harvesting the milfoil in the boat slip on September 19. Divers have been hired and boats will be available to pick up the milfoil from the divers. Mr. Bolton plans to put mats down in the area next spring in hopes that it can be controlled in this area.

PLANNING BOARD 9/4/86

As usual, this Board met with 100% of the members present. A letter was read from A.P.A. in regard to the property retained by the Gudikunsts on Dodd Hill Rd. as being partially wetland. The Board will make a formal, written request to have the APA provide the Town of Hague with a map showing all designated wetlands within the Town. The Board is also checking into the ownership of certain parcels of land in the Indian Kettles area that the APA claims there is confusion over designation of ownership between private and state.

Karl Andraassen of Mt. View Rd. has requested permission to place a 70' mobile home on his property. This would place 2 primary residences on one lot that is zoned OCI which requires 2.9 acres per principal residence and a site plan review.

Steve Bevins has proposed subdividing 2 separate parcels into 4 lots each. A public hearing on this was set for Oct. 2 at 7 PM.

Building permits have been issued for Hague Commons to begin construction of 8 town houses on the former Locust Inn property. DEC's representative, Bill Lamy's letter of Aug. 12, 1986 confirmed that the septic system permit for the former Locust Inn Estates had been designed for a 3,000 gal. per day capacity and that the developer will be required to reserve an identical size area for a second system.

The dispute over the structure attached to Jim Ward's log cabin on Rt. 9N which was constructed without a building permit will be heard by the Zoning Board of Appeals on Sept., 25 to determine if the structure is a deck or a boat house roof. ...ac

NATURE NOTES

On August 19 an unusual dead bird was found in the driveway of Supervisor Bolton's home on Lakeshore Terrace. Preliminary identification indicated it was a Sora, a member of the Rail family. According to Geoffrey Carleton, bird expert from Essex County, it was indeed an immature Sora, a rare bird which lives in upland swamps remote from human activity. Carleton has seldom seen a Sora in his over 50 years of bird watching, probably because of its reclusive nature. He theorized that the bird might have become disoriented in the morning fog and it hit the porch window, causing its death....Laura Meade

From the Veterans Administration comes the following information: The periods of Wartime Service for Pension Eligibility are: World War I - April 6, 1917, through November 11, 1918; extended July 2, 1921 under certain circumstances. World War II - December 7, 1941, through December 31, 1946. Korean Conflict - June 27, 1950, through January 31, 1955. Vietnam Era - August 5, 1964, through May 7, 1975. If you have any questions, see Veterans' Administration representative in Town Hall on Thursdays at 11:30 AM.

WILLY C'S AUG/SEPT WEATHER NOTES

August was a month that had no particularly unusual weather incidents to report. Thunderstorm activity on the 5th, 6th and 7th was reported last issue. The high temperature was 84 degrees on the 17th. We had nine other days during the month when it managed to get into the 80's, but all in the low 80 degree range. Low temperatures for the most part were in the 60's, some high 50's, until near the end of the month when everything cooled down. Our low temperature was on the 29th when it got down to 43 degrees. Must have been colder up in the mountains. We lost one hour and twenty one minutes of daylight in August. In September that pace will speed up.

We did have some rain each weekend up until the last weekend of the month, when we finally broke the mold. Labor Day weekend was rainless. It was a yeah!!! weekend, the first one since before the fourth of July. August rainfall was down over July to 3.88 inches for the month. Highest wind gust - 28 m.p.h. on the 22nd.

September, so far, has been relatively dry. Temperatures have been on the cool side this past week, but not uncomfortable, and today, September 12, it's quite mild. Air temperature at 9:55 a.m. was 74 degrees, water temperature 66 degrees. You may recall the air temperature on August 11 was also 74 degrees, but the water temperature was 73 degrees on that date, so the lake is beginning to cool down.

Because of above average rainfall this summer, we should have spectacular color display this fall. No signs of change yet around the lake, but things will be popping by next issue....Willy C

LAKE GEORGE FACTS

Lake George is 305 feet above sea level and flows NORTH to Ticonderoga, NY where it gradually drops 210 feet via the La Chute River into Lake Champlain. The total drop surpasses that of Niagara Falls. Lake Champlain is 95 feet above sea level.

Did you know that Martha Washington's silver service was the source of the silver that went into the first U.S. coins.

....From Isaac Asimov's "Book of Facts"

DRIVER SAFETY COURSE

On Thursday, September 18, 1986 the Ticonderoga Central School District will offer a 3-hour pre-licensing driver safety course. The course is offered to fulfill the Commissioner of Motor Vehicles regulations for those who are applying for their New York State driver's license.

Class will meet in the Ticonderoga H.S., Room 304 from 6:30 to 9:30 PM. Fee is \$10.00. Pre-registration is necessary. Call 585-7422 by Sept. 17.

OKTOBERFEST

The fourth Gore Mountain Oktoberfest will be held at the ski resort on Sept. 27 and 28. The Oktoberfest is two days of German music, dancing, food, crafts and fun for the whole family. Dazzling Adirondack foliage will provide the backdrop for a number of German-American bands and dancers who will perform outdoors under tents. More music and crafts will be in the ski lodge while the Kids Korner will have a stage area of its own set up under cover outdoors. Great German food and beers will be available all day, both days, indoors and out.

Tickets will be \$3.50 for adults and \$2.50 for senior citizens and children 14 and under. Gondola rides are extra.

PUBLIC CONDUCT IN EMERGENCY SITUATIONS

The increasingly persistent problem of crowd control during emergency situations has become a major concern to local emergency authorities. During fire, automobile accidents, ambulance calls, etc., public interest and attempts to assist usually result in further confusion and more difficulty for those trained to deal with these situations. Public cooperation with emergency authorities is imperative so that they may perform their task most efficiently and successfully in the safest manner possible. However confusing an emergency situation may seem, trained volunteers are working at their best to control the problem and assist those in need.

An indispensable role in controlling these situations lies with the emergency and fire police squad. These people are specially trained in crowd control during emergencies. Further, they are in constant contact with fire chiefs and emergency captains. This is important so that they may control the flow of emergency vehicles and personnel as well as public traffic. This task is essential to prevent further hazards during emergencies, and assist in their speedy and safe outcome.

The authority of the emergency and fire police squads is real and should be observed and respected by the public. Squad members possess legal authority to assist them in control of emergency situations. Although they cannot issue summons individually, they do have the option to request assistance from any police officer present. At the request of a squad member, a police officer will issue an appearance summons to the offender. At the time of the appearance the offender is subject to a \$50 fine and/or 15 days on a first offense. A second offense within 18 months is subject to a \$100 fine and/or a 45 day jail term. Emergency and fire police members would prefer not to have to resort to these means, but it should be understood that they are trained to do so if it is needed. Public cooperation will hopefully make this unnecessary.

Help our emergency volunteers best by allowing them to do their jobs as they are trained to do. If they ever require assistance, rest assured they will ask for help and accept it gratefully.

Thank you for your cooperation.

George Shoemaker, Captain

HAGUE VOLUNTEER FIRE DEPARTMENT NEWS

The Hague Ambulance Squad made 25 runs, totalling 1222 miles and 266 man hours for the month of August.

The Hague Fire Dept. responded to six fire calls, three of which were automobile accidents requiring fire monitoring and washdown service, totalling 104 man hours.

The HYFD will be hosting its annual Columbus Day Dinner on Saturday, October 11, at the Silver Bay Association Dining Hall. All those interested are cordially invited to attend.

HYFD members will be attending a state sanctioned Initial Fire Attack course beginning on Sept. 17. The course will run six consecutive weeks. Those completing this course will be certified and on file with the state in initial Fire Attack techniques. The course instructor will be Mr. Dave Hadin from Queensbury. Mr. Hadin is a state certified instructor and conducts classroom training as well as realistic field training in fire attack techniques. The HYFD is seeking the use of a dispensable building to burn or smoke to be used for field training during this course. Anyone with knowledge of or who has a building that might be used for training is asked to contact either Fire Chief Paul Davis or First Asst. Chief Jim Young.

There has been some confusion pertaining to Hague residents with 585 telephone exchange numbers utilizing the 911 emergency number. At present, residents with a 585 exchange cannot dial into the 911 system. Efforts are being made to remedy this situation. It is recommended that until this problem is solved that these residents dial the Warren county Sherriff's office at 1-761-6477. Further information will be given as it becomes available. For clarification of these proceedings, please contact Ms. Diane Frazier during business hours at the Hague Town Hall - 543-6161.

Anyone with comments, ideas, or questions pertaining to their community and its emergency services are urged to contact either Fire Dept. President John Breitenbach, Sr. or Fire Chief Paul Davis.

....JB Jr.

EMERGENCY FOOD PANTRY

An emergency food pantry has been created in Hague through Community Action Agency of Warren and Hamilton Counties. Certain criteria must be met, but if you have a real need on an emergency basis, call Diane at the Town Hall, 543-6161.

NEW FOLKS IN TOWN

Joseph & Lynda Murphy and Robert and Risa Monroe - property on Uncas Road.

Roderick and Mynema Geer - former Lippett property in Forest Bay.

Howard and Dorothy Foote - Furey property on Route 9N, north of Hague.

William S. Jones - from John Pucek, south of Sabbath Day Point.

Pamela Petersen - from Douglas Madden on Route 9N, north of Hague.

Constance Miller - from Laurie Patterson, on Overbrook Drive.

John & Linda Baker and Winston and Susan Disbrow - the Millington property in center Hague.

Bruce and Susan Clark - from C. Frank Fitzgerald III, Overbrook Road.

Peter and Julia Voll - from Stuhr, property adjacent to town beach.

Michael and Ann Tobey from Barbara Jaffee, Route 9N, south of Hague.

Thomas McGrath, from Rushby, property on 9N south of Hague.

Francis and Kathryn Barry, property on Split Rock Road.

James and Joan Demma - Arcady Bay Estates

Darryl B. and Harry R. Hayes III, a lot in Arcady Bay Estates.

William and Lisa De Vita, a lot in Arcady Bay Estates.

Michael and Viola Vassallo, a lot in Arcady Bay Estates.

Thomas and Charlene Schaffer, a lot in Arcady Bay Estates.

James and Sherrie Schaffer, a lot in Arcady Bay Estates.

Martin and Earlene Steger, a lot in Arcady Bay Estates.

Erwin and Geraldine Siwek, former Stiffler property in Pine Cove.

Joyce and Denis Buchanan, property of Conant in Silver Bay.

Blanche Isinger, former property of Brinton, Silver Bay.

Bruno and Dorothy Brauner, a lot at Sabbath Day Point.

Michael Ferraro, a lot from James Ward at Lakeshore Terrace and 9N.

The staff of THE HAGUE CHRONICLE welcomes you all to our town.

TICONDEROGA FESTIVAL GUILD FUND RAISER

Now that the summer season is past, the Guild's attention is turned to raising funds to support the concerts for another season and to reduce the debt on the tent which is used for these concerts. A fun evening is being planned for October 12 to be held at Indian Kettles. A maximum of 200 sweepstakes tickets at \$100.00 each will be sold, entitling the buyer to two admissions to the party. Grand prize for the sweepstakes is \$1500.00. Over 30 other fabulous prizes worth at least \$100 in value each, will be drawn. Buy your ticket early to enable you to get the sweepstakes number you would like.

For further information call 585-6716. You don't have to be here to win. You can be a part of this fundraiser from your winter home, too.

GOLDEN KEY FOR SENIOR CITIZENS

Senior Citizens have free access to all school sports events, music concerts, and dramatic performances. Recognizing the contributions that Senior Citizens have made to the progress of our community, the Board of Education adopted a policy that allows Senior Citizens (those over 60 years of age) free admission to basically all school events.

Golden Key admission cards are available in the Superintendent's office on Amherst Avenue between the hours of 9 AM and 4 PM. For further information you may call 585-6674.

PLANETARIUM SHOWS AT T.H.S.

The Ticonderoga Planetarium will resume its public presentations on Tuesday evening, Sept. 23 at 7:30 PM. The Annual Fall Stargazer's Show will be presented at this time. People will be shown the stars, planets, and constellations visible from our area during this fall.

Tues. Sept 23 - Fall Stargazer's Show
Mon. Oct 20 - The People - Indian Skylore
Wed. Nov 19 - To be announced
Tues Dec 9 - The Christmas Star
Wed Jan 21 - Winter Stargazer's Show
Tues Feb 24 - To be announced
Thurs. Mar 19 - To be announced
Mon. Apr 20 - Springtime in the Universe
Thurs May 14 - Summer Stargazer's Show

SOUNDINGS

BORN - A girl, Meredith Ashley, to Diane and Richard Loratich on June 18. Grandparents are Bob and Teresa Stiffler, former residents of Pine Cove, Hague.

BORN - a girl, Kelly Anne, to Harry and Kim Granito in Ann Arbor, MI on July 23. Grandparents are Dolores and John Granito, Binghamton and Hague. Great-grandparents are Martha and Harry White, St. James City, FL and Hague.

BORN - A boy, Christopher David, to Mary and Tim Towers on July 30 in the Glens Falls Hospital. Grandparents are Emma and Tony DeFranco, Hague.

BORN - A girl, Paige Isabella, to Flavia Fuller and Thomas Denno on August 6 in Moses Ludington Hospital. Grandparents are Anna and Bernard Denno, Hague.

BORN - A girl, Melanie Elizabeth, to William and Jennifer Edson on Aug. 22 at Womack Army Hospital, Ft. Bragg, NC. Grandparents are Janice and Dan Belden, Hague and great grandmother is Mrs. Esther Belden, Hague.

BORN - A girl, Chelsea Elaine, to Jeff and Diane Larson, Lithonia, GA. Grandparents are Martin and Hanna Brosche, Rt. 8, Hague.

MARRIED - Cynthia V. Craig, daughter of Bruce and Allison Craig, Hague, to Richard Fugett on Aug. 24 in Santa Rosa CA.

MARRIED - Terry Bolton, son of Supervisor and Mrs. Richard Bolton, Hague, to Lisa Tobin, daughter of Mr. & Mrs. Ernest Tobin, Ticonderoga, on September 6 at the Boltons' home in Hague. Reception followed at the Country Club.

DIED - Robert R. Anderson, 35, West Hague Road, on August 20 at Moses Ludington Hospital. Surviving are his mother, Bernice Denno Anderson and aunt and uncle, Robert and Geneva Denno, Hague.

DIED - Alice Maloney, Keeseville, in Moses Ludington Hospital on September 1. She was a frequent visitor in the home of her niece, Marge Laundree.

DIED - Ruth M. Bryant, 76, Port Charlotte, FL, on Sept. 2 at Moses Ludington Hospital. Surviving is her stepson, Robert Bryant, Pine Cove.

DIED - Elizabeth Leach Waite, 88, Hudson Falls, a native of Hague, in Glens Falls Hospital on September 6. She was the mother of Mrs. James (Pat) DeLarm, Hague.

CIVIL AIR PATROL CADET EDWARD MAY, son of Gordon May, Hague attended CAP's annual two week encampment at Plattsburgh AFB from Aug. 17 to 30. He received training in search and rescue skills, land and water survival, drill, military customs and courtesies and group problem solving. In addition the cadets were given rides in tanker airplanes and CAP corporate aircraft.

JAMES BELDEN, son of Mr. & Mrs. Arthur Belden was inadvertently omitted from the list of students receiving the Presidential Physical Fitness Award last spring. Our belated congratulations.

MICHELLE WATERS daughter of Mr. and Mrs. Francis Waters, received the Presidential Academic Fitness Award and an achievement award for band instrument at the Elementary School Graduation in June. She was a fifth grader at the time.

DIANE BROSCHE LARSON, daughter of Mr. & Mrs. Martin Brosche, Rt. 8, received her RN certificate from the state of Georgia in August.

FALL SPORTS PARTICIPANTS

The following students from Hague are participating in the fall sports program at Ticonderoga High School.

Soccer: JAMES BELDEN, ROBERT GAUTREAU, EDDIE MAY, SHANNON OLCOTT.

Varsity Football: PETER BELDEN, Mgr.

JV Football: RICHARD BELDEN

Varsity Cheerleaders: CAROL DUNKLEE, KARA REYNOLDS.

CALENDAR OF EVENTS - SEPTEMBER and OCTOBER

September

- 17 Audubon Society Program - see p. 2
- 18 Sr. Cit. Bus to Glens Falls
- 18 Carillon Garden Club - 11 AM-Church of Cross
- 19 Harvesting of milfoil at Hague Launch Site
- 23 Sr. Citizens trip to meal site in Bolton Ldg. followed by meeting at Town Hall at 1:30 PM
- 25 Zoning Board of Appeals - 7:30 PM
- 25, 26, 27 - Fire Dept. Rummage & Food Sale

Veterans Administration representative is in Town Hall every Thurs. at 11:30 AM for consultation

October

- 1 American Legion - 7:30 PM
- 4 Carillon Garden Club Standard Flower Show - United Methodist Church, Ticonderoga. 1 - 6 PM Public invited.
- 2 Senior Citizens Bus to Glens Falls
- 2 Planning Board - 7:30 PM
- 6 Fire Department meeting - 8 PM
- 11 Election registration - 1 - 9 PM - Town Hall
- 11 Fire Dept. Columbus Day dinner - Silver Bay
- 14 Town Board - 6:30 PM
- 16 Senior Citizens Bus to Glens Falls
- 16 Carillon Garden Club meeting - 11 AM

**HELP THE FIRE DEPARTMENT REPLACE ITS WORN OUT ROOF
BY SUPPORTING ITS ACTIVITIES.**

FOOD AND RUMMAGE SALE in the Firehall on Sept. 25, 26 and 27 from 9AM - 2 PM. Articles may be left there on Sept. 22, 23 and 24 from 9 - 12 AM.

COLUMBUS DAY HAM DINNER on October 11 from 5 PM at Silver Bay Association. Adults \$5.50; Children \$3.50

See 'ya there!
