

Schedule for remaining weeks of Winter/Spring Semester

Weather has disrupted our sequence of Sunday/Wednesday Classes. This has complicated the relationship of the timing of classes.

Please note: Wednesdays are now 2 Lessons ahead of Sundays until Ash Wednesday, March 6, when there are no classes. After Ash Wednesday, Wednesday Classes will be one Lesson ahead of Sunday.

The grayed out sections are classes already passed or no class scheduled.

After Bible Project Winter/Spring Semester concludes, Wednesday evening gatherings continue. The meal will continue to be served through April 10. The whole congregation is invited to those evenings, March 27, April 3 and April 10.

March 27 Bible Questions and Responses—Some have Old Testament questions that have been raised for them by either The Story or The Bible Project. Or maybe, just questions. We'll take Old Testament, New Testament or other questions that relate to our spiritual journey.

April 3, Some of the folks who travelled to Israel last Spring will share their adventures, pictures and memorabilia. Should be interesting to hear stories about the misadventures of our group.

April 10, just a fun night. We'll do some interaction designed to engage everyone. Dessert anyone? Let us know and we'll work something out.
