A bed of shredded carrots, topped with cucumbers, tomato, sweet onion and lettuce, on a seasonal spread. (Roasted eggplant w/garlic {fall/winter} or a Dill sour cream-mayo {spring/summer}) \$8.25

21~Cheese Supremo

Three cheese medley of American, cheddar and mozzarella, together with bacon and tomatoes on mayo.

22~Mother In-law * (for the palatably impaired)

Apple jelly and super crunchy peanut butter on sliced bread. You pick. (She uses white)\$4.00

23~The Cement Block**

Alternating stack of ¾ lb roast beef, ¾ lb turkey, ¾ lb ham, 8 slices of bacon, ½ lb of cheese, cole slaw, pickle paste, mustard, lettuce, tomato and onion between 2 wedges. Try it! You may not be heard from again if you can finish it. \$39.57 *(Please order a minimum of 2 hours prior)*

Create your own: meat, cheese, lettuce, tomato, onion, salt, pepper, oregano, basil, parsley, olive oil, balsamic vinegar on your choice of wedge, roll or sliced breads (tell me what kind).

Soups & Deli Salads: \$2.50 small; \$5.00 large **Green Salad:** \$6.50 (one size fits all)

What is a Wedge?

It's what you west coasters call a hoagie/sub/hero, but not. A Wedge is chewy and has a "pull/tug" to it when you take a bite. The name Wedge is short for sandwich... the term originated at Landi's Deli on Willow Street in Yonkers, NY during the 1920's. Antonio and Concetta Landi, then their son Frank, ran the place. Anyhow, it's pretty simple.....

Concetta never spoke a word of English and she started calling sandwiches "wiches" or wedges... it stuck with the customers and because they served the best wedges then and now (if they were still around) the name spread locally.....there you go.
