The West Virginia Public Health Association is planning our 96th annual fall conference scheduled for September 15 – 17, 2020 at Oglebay Resort and Conference Center, Wheeling, West Virginia. Our Association hopes that you will be interested in providing an exhibit, and/or advertising in our program for this year's conference.

Members of the Association include registered sanitarians, public health nurses, home health nurses, health officers, administrators, nutritionists, dental professionals, student affiliates, office assistants and onsite professionals. This is the one of the few times of the year that such a large group of public health officials meet to discuss new technologies and share information. For this reason, we hope that you will agree to provide an exhibit promoting your organization at this year's conference.

Exhibits will be located where the break refreshments will be served. This enables conference attendee's ample time to view the exhibits and ask questions of the representatives. We also offer each exhibit booth one complimentary ticket to our annual banquet and awards ceremony which is held on Wednesday Evening and a complimentary ticket for Thursday lunch. Additional meals can be purchased.

Please check out WVPHA's webpage for more details.

**If you wish to exhibit, please complete the registration form and return by Friday, September 4, 2020. If you wish to place an ad, we would need the registration form and ad by Friday August 14, 2020.**

**\*Please note the 2020 WVPHA Fall Conference will not have a general session on Friday. There will still be ample time to visit the Exhibit area.**

I'm sure you will agree that this is a great promotional opportunity. I look forward to hearing from you regarding your exhibit choices. Should you have any questions, please feel to contact me at (304) 623-9308 or Danya Canterbury at (304) 553-3763.

Thank You,
