Always Thinking Safety

VIABILITY MATTERS

We realized one of our highest turnouts in recent years during our last meetings. A most encouraging sign. Maybe we are on the right path.... Was the change from a dinner to a lunch a more convenient time? Was it the appeal of the topic & speakers? Was it the weather?

Even so the turn out by our ATSSA membership was great.

Investments/Sponsorships being our primary source of funding, it is vital for the ATSSA to be considered appealing & rewarding enough to attract their funds in order to maintain, let alone grow, the health of our finances & of our organizational capabilities.

In these changing times, the search for ways & means to become more relevant & appealing & effective is an ongoing critical effort.

Comments & suggestions are most welcome:

President Mark Halliday at mhalliday@rogers.com;...416-550-7933

Vice President Ed Roeder at droeder@sympatico.ca;...647-462-7336

PARTICIPATION is vital for the well-being of our ATSSA!

EDITOR'S NOTE: SPECIAL THANK YOU TO TEXIS TRUCK EXHAUST-DAN HRODZICKY FOR SPONSORING OUR LAST MEETING> THANKS DAN AND THE TEAM AT TEXIS!!!
