

ELLSWORTH TOWNSHIP ZONING COMMISSION

NOTE FOR THE RECORD

REGULAR MEETING – MAY 12, 2020

Due to the National emergency in response to the corona virus, all businesses and schools were closed. Public gatherings of more than ten people were prohibited. Even though some businesses were beginning to reopen, public Zoning meetings were to be delayed unless there were time-sensitive, essential issues that needed to be addressed. In which case, all individuals were to remain a minimum of 6' apart.

Based on the above, the May 12, 2020 Zoning Commission Meeting was cancelled.
