

Dear Subscribers and Friends of the Essex Fox Hounds,

July 2017

The 77th Essex Hunter Trials is Saturday, August 26. We are honored, once again, to be holding this traditional day of competition at The United States Equestrian Team's historic headquarters where competitors and spectators alike will enjoy the magic of America's most prestigious ring.

The Essex Fox Hounds' other Fall fundraiser, The Weekend in Gladstone is also right around the corner. This fabulous weekend of Essex events will feature a festive kickoff to the weekend Friday evening, September 29th and The Masters' Chase, now in its fifth year running on Natirar's Great Lawn, Saturday, September 30th. Some special surprises are in the works to make this family oriented day of timber racing memorable. We will cap the weekend off with a Hunt from Spook Hollow Farm on Sunday, October 1st.

Because you are a long time supporter of the Essex Fox Hounds, we are writing to offer you the chance to reserve places at both events at a reduced price. You may secure a Ring Side table for eight at the Hunter Trials and a tailgate spot on the Masters' Chase course together for a reduced donation of \$700. By reserving for both events now, you will save \$100.

Please plan on joining us for both The Essex Hunter Trials and The Weekend in Gladstone Masters' Chase. Your support and presence are appreciated.

Get ready for a great Fall with the Essex Fox Hounds!

To recap:

**HUNTER TRIALS:**
