Deer Creek Muzzle Loaders Two-Day Shoot June 15, 16, 17 2007, Glenrock, WY

Deer Creek Muzzleloaders held their annual shoot at Glenrock, WY. It was a great time had by all. They put on a heck of a shoot. Weather was about perfect no wind! No wind is very rare accordance for Deer Creek Muzzleloaders. Much better then the wind we had in February. The DCMLA put on a great shoot the primitive contest was real tough. The cooks for the supper done an outstanding job, the meat was wonderful. Thank you to the DCMLA for all the hard work hosting your annual shoot.
