

**Holidays** - I hope that you are all keeping well and safe and, like me, itching to get back onto the dance floor again. It has been hard in these unprecedented times to think of our pleasures but we must not give up hope that it will be over soon and we will be able to get back to something like normal, whatever that might be. I have been asked if we are continuing with the Street holiday at the beginning of September - we very much hope so but it will obviously depend on Government advice - I am therefore taking bookings for the holiday but not deposits at this time. Bookings have gone very well and as of today we just have 4 twin rooms & 1 single available in allocation.

We have also sorted out our dance holidays for 2021 and full details of these are on our [Holidays page](#).
