Change in procedure for entry forms

Everyone will need to fill out the following **“Contestant Approval Form”** and submit it with or prior to our first entry form.

You will no longer have to get “EACH” entry form signed by the principle or notarized; however, you **MUST** take this form to your school and have it signed by your superintendent or principle. You will also need to take this form to have it notarized. This form will stand good for your seasons entry forms as long as this form is on file with the secretary. **Entry forms will not be accepted without it on file.** You, your parents or guardians will also have to sign before submitting to secretary.

PARENTS: You will need to check the “X” box for all events that you are allowing your contestant to compete in as well as initial and date this box. If contestant enters an event that has **NOT** been checked by parent approval the computer **WILL NOT** accept the entry. Therefore, if you are considering entering other events at a later date (such as cutting) then you need to check and approve those events as well.

If you have any questions give me a call or email.
