

6 Pound Club

1: Entry fee is \$25.00 Per person and fee must be paid before tournament starts to be eligible to win. If an eligible 6 pound or bigger bass is caught on a Saturday tournament then the 6 pound club will start again the next day and you must buy in again before the tournament starts to be eligible again to win.

2: If the 6 pound club is not won then it will role over into the next year. There will be a \$1000.00 dollar cap on the six pound club which equals 40 entries. Once the 40 entry cap is reached no-one else may enter until it is won and buy in starts over.

3: The 6 pound club will be closed during the tournament of champions (TOC) . If you catch a 6 pound bass during this tournament it will not count for the 6 pound club.

4: The 6 pound or bigger bass must have been caught during a regularly scheduled Rogue Valley Bassmasters tournament that count toward the fisherman of the year contest by a member who bought into the 6 pound club before the tournament starts in which it was caught to be eligible to win. The six pound club is closed during any other Rogue Valley Bassmasters open tournaments.

5: I will not carry the winning cash with me to the tournaments due to the amount of cash. If you are the winner of the six pound club I will gladly pay you your winnings as soon as possible, arrangements to be made by me and the winner to receive their cash.

Any questions or to enter see Robert Ulrey
