

Philips Lifeline for Home Instead Senior Care Clients

Overview of Service

Philips Lifeline can help you remain protected home at the press of a button 24 hours day, 365 days a year.

Clients receive a personnel help button and home communicator to connect with the Lifeline response center to provide assistance in the home during an emergency. This helps you receive quick access to help and provide peace of mind to family and friends.

Home Instead Senior Care Clients receive discounts on start-up fees.

How the Lifeline Service Works

Summon help: With a simple push of your Lifeline help button you're connected to our Response Center. The AutoAlert feature automatically calls for help if you fall and can't push the button.

Hear a reassuring voice: A caring Lifeline Response Associate will quickly access your profile and assess the situation

Get Located: Lifeline pinpoints your location through the Communicator or your GoSafe mobile pendant.

Know help is on the way: Our Associate contacts a neighbor, loved one, or emergency services – based on your preferences – and will follow up to make sure help has arrived.
