

GUIDELINES FOR SOCIAL DISTANCE MASS ATTENDANCE AT ST. LUKE (25% CAPACITY)

ARRIVAL: Please arrive early to Mass to allow for everyone to be seated properly. Ushers will be seating people 30 minutes before Mass. Please do not arrive any earlier.

ENTRANCE: You should enter the building/church at the main doors. Please maintain a six-foot distance from separate households in front of you. People living in the same household are exempt from the six-foot distance requirement. Households will be greeted at the door and directed to a specific seat until capacity has been met. We will **not** be able to admit you for scheduled Masses when pews are filled.

HOLY COMMUNION: Ushers will release people from the pews and to help maintain six feet distance between yourself and others who are not part of your family.

COLLECTION/TITHE: Your support of our parish is greatly needed and appreciated. There will be a basket at the entry/exit, and you should drop your contribution/envelope in the basket. There will also be an offertory basket with a handle brought around by the usher at the usual time.

DISMISSAL: Out of respect and courtesy for all in attendance, you are not to leave Mass prior to the final blessing and dismissal. The ushers will assist in this process. Bulletins will be available at the door upon exiting. At all times during exiting and going to vehicles we ask all households to maintain a minimum of six feet distance from other persons.
