## Skating Club of Utica-Whitestown Policies

ALL Full-Club skaters under the age of 14 are **REQUIRED** to have a parent or guardian at the rink at all times while they are on the ice. The monitors are not babysitters. Situations arise where ice can become unavailable and your child could be left alone without an adult.

ALL Learn-To-Skate skaters are **REQUIRED** to have a parent or guardian at the rink at all times while they are on the ice. If you leave your child you must let someone know who can be notified if an emergency does arise.

Safe skating is essential. During each skating session, the coaches or monitors are authorized to order a person from the ice for cause.

All club members are expected to behave responsibly and to be considerate of other skaters at all times. Low level and high level skaters must be aware of each other at all times or serious accidents can and will occur. Monitors, parents, and skaters: BE ALERT!!

Many falls on the ice can be prevented if one assumes a safe attitude and is considerate of others. Any foreign objects on the ice surface can provide a dangerous fall. No personal electronic devices, food, candy, gum, or beverages are allowed on the ice.

Most serious accidents around ice rinks occur OFF the ice. Running with or without skates, on the off-ice surfaces is the major contributor to these accidents.

NO running or horse play is allowed in the rink area.

Appropriate dress and equipment is expected. Please refrain from loose articles of clothing. If you need assistance with fitting skates or lacing skates please ask, the coaches and long term members will be happy to assist. If you need assistance from coaches please get to the rink allowing for extra time.

Racing, taunting and rough activity on the ice will not be tolerated.

Ice use is to be in accordance with the posted schedule. When your time period is over, please leave the ice immediately. Parents please assist and cooperate on this matter.

Group lessons will start on time. Skaters should arrive 15 - 20 minutes early to have their skates on properly.

No standing on the ice or entrances to the ice area – only skaters allowed.
