“Pray It Forward” Program

We strive to keep tuition at an affordable rate for families who want a Catholic education for their child. We encourage families who may need help with tuition at this point in their lives to contact our principal. After completing the tuition assistance application, families will be notified about their awarded funds in early summer. “Pray It Forward” funds are granted with the hope that, sometime in the future, beneficiaries will want to support Catholic education. On the other hand, we ask those who are in a position to be a benefactor to St. Mary's School families to consider donating any amount to “Pray It Forward” as a way to perpetuate this program of faith, hope, and love.

*We believe that every child is a unique creation of God and is treated as such.
 We strive to develop the whole child through prayer, family involvement, service, and excellence in education*
