

THE MINIMED INSULIN PUMP WORKBOOK

*FOR GETTING THE MOST
FROM YOUR PUMP*

 MiniMed®

Edited by Sandra Schwartz, MHS, CDE.

No representations or warranties are made, expressed or implied with regard to the contents of this work or to its applicability to specific individuals or circumstances. The contents of this work are not intended to be a substitute for professional medical advice. Always seek the advice of your physician or other qualified healthcare provider with any questions you may have regarding your condition. Never disregard professional medical advice based on the contents of this work.

Insulin pump therapy is not for everyone. The decision to use an insulin pump must be made on an individual basis in consultation with an experienced health care professional.
