► **73<sup>rd</sup> ANNUAL CHURCHES OF CHRIST NATIONAL LECTURESHIP**

**Atlanta, GA June 2-8**

**We are looking forward with great anticipation to this momentous lectureship as powerful presenters from across the country address/treat the theme,**

***“This Means War- Effective Strategies for Spiritual Warfare”***

**Ephesians 6:10-13**

The intent of this lectureship is to bring to the awareness of the believer the reality of our adversary, whom the apostle Paul calls the Devil. Hopefully, this series of studies will educate the Body of Christ to the varied malicious methodologies of Satan that are designed to divide the House of God, devour the faith of the Christian, and distort the word of God. The targeted goal is to equip the saints for spiritual warfare by solidifying them in the faith once delivered and provide them with a platform to be introduced to effective congregational strategies to impact the world that has been blinded from the light of the Gospel of Christ (Jude 3, 2 Cor 4:4).
