

CANYON BAND BOOSTERS

The Canyon Cougar Band program is a very accomplished and recognized program in the State of Texas due to the hard work, dedication and talent of outstanding students and teachers. But they can't do it alone.

The Band Boosters help the entire band program, both at the middle school and high school level to include Canyon Middle School, Churchill Middle School, Danville Middle School and Canyon High School. Funding the activities of the Canyon Cougar Band is critical to helping our students reach their maximum potential on the field and in the concert hall.

Your Band Boosters membership helps:

- Purchase and repair thousands of dollars worth of instruments, equipment, and props
- Manage the non-profit program for our band students
- Provide meals for students
- Hire professional clinicians to prepare students for competitions and assessments
- Supplement/cover entry fees for events
- Award Canyon Band Booster Scholarships to students attending college
- Much More!
