COOL & COMPLETE R

Formulated to meet the requirements of the competitive performance horse and pleasure rider. Cool & Complete is a grain free pellet, low in starch and high in fibre, designed to maintain hindgut activity. This formulation is free of whole grain, ensuring a low Glycemic Index (GI) to provide slow release energy and thereby reducing fizzy behaviour related to high grain diets.

The Pelleting process gelatinizes the starches in grains, reducing bacteria such as salmonella and increases digestibility. This process causes minimal damage to sensitive nutrients. Extrusion processes are subject to extremes of pressure, temperature and moisture, which can have a detrimental effect on some nutrients such as vitamins.

High quality ingredients are used and formulated to supply balanced levels of energy, proteins and essential amino acids. Vitamins and Minerals are sourced from Europe and coated to provide stability and resist degradation during the pelleting process.

Selection of the following ingredients: Millrun (Bran, Pollard, Wheatgerm), Soya bean, Lucerne, Vitamins, Minerals, Salts, Limestone.

Minimum Protein:	14 %	Cobalt	.25 mg
Digestible Energy:	12 MJ/kg	Iodine	.4mg
