## Templeton's "Almost Daily" News

Serving the residents of the greater Templeton area since 2000

This **JULY 8 MON-WED CALENDAR DIGEST** is brought to you by the folks at Mid-State Solid Waste & Recycling and their whole family of services.

Mid-State provides both residential and commercial solid waste collection along with green waste and recyclables throughout their area of service

The Mid-State family also includes North County Compost - "Exceptional Harvests Start with the Highest Quality Soil" - and North County Recycling - "Specializing in demolition and construction

material recycling"

For more information, please [CLICK HERE](#) to visit the Mid-State website.

### COLLECTED & PROCESSED LOCALLY

Green waste and recyclables collected locally are processed right at Mid-State's Templeton facility on La Cruz Way. Green waste materials are then converted to wood chips and compost, which are available for pick up

or delivery. Mid-State also accepts construction and demolition recyclables, including brick, asphalt, drywall, concrete, and more. If you're in need of construction or demolition recycling services, please visit the North County Recycling website at [www.northcountyrecycling.com](http://www.northcountyrecycling.com).

## TEMPLETON WEATHER STATION

---

### WEATHER HEATING UP

Day time temperatures are forecast to go up in Templeton this week from a comfortable 75 on Monday to almost triple digits by Saturday (good weather for swimming!), then dropping off a little early next week.

Full sunshine from Tuesday on.

Afternoons will be breezy with winds from the SW at about 20 mph at the beginning of the week to WSW at 14-15 mph from Thursday on. Night time temps will range from the low 50's to low 60's.

This weather forecast is courtesy of the Weather Underground. Please [CLICK HERE](#) to visit their regularly updated 10-day weather forecast for Templeton.
