

# ROSSO DI SALENTO

## Tasting Notes

“Dark berry fruit flavors with characteristics of ground brown spices such as clove, cinnamon and all spice.”

4/5 Star Vivino Rating.

### REGION

Salento IGT is one of the most commonly used IGT titles in Puglia, southern Italy. It covers the Salento, the limestone-based peninsula that divides the Adriatic Sea from the Ionian Sea and provides Italy with its 'heel'

### GRAPE-

Negroamaro – Primitivo blends are a staple of red wine production in Puglia, southern Italy. Both Negroamaro and Primitivo have been used in the region's wines for many centuries.

### FOOD PAIRING

The perfect pairing.. medium-rare to well-done roast lamb dinner, or braised lamb shanks. Another great option would be British or Irish lamb stews with a simple stock, root vegetables and subtle herbs and spices.
