

13th Annual Masonic Motorcycle Ride
Benefit for
White River Junction VA
Sunday, August 7, 2022

Vermont Widows Sons Masons of Vermont will sponsor their 13th annual Veterans Motorcycle Event. The funds raised for this worthy cause have been through merchant and corporate donations as well as individual contributions received from sponsors and motorcycle enthusiasts. All donations and contributions go exclusively to the veterans serviced by the **White River Junction (VT) VA Hospital**. These are then distributed by the **Voluntary Services Division** to those veterans in need. Collectively over the past twelve years, more than **\$60,000.00** has been donated to these veterans. Last year's event raised over \$6,000.00 with motorcycle riders from three New England States taking part in this fundraiser. According to the **VA Voluntary Services**, the **Veterans Ride** is the largest donor of its kind that supports our veterans.

Vt. Windows Sons are listed at IRS 501 (C) 10 Charitable Organization making your donation tax deductible.

Please make checks payable to: **Vt. Widows Sons - 2022 Veterans Ride**

Your tax deductible donation will help make this year's event successful and most importantly you can be a part of this worthy cause by supporting our veterans.

Thank you for your support!

Keep this top portion for your records and mail donation along with the Donation Record below to: Pat Sloan
