## Region 21 Spring Tournament Sponsorship

First of all let me take a moment to personally thank you for considering being a sponsor for our Region 21 Spring Tournament being held on April 22<sup>nd</sup>, 2017 at Mulberry Community Center, Flowery Branch.

Region 21 consist of Tang Soo Do schools/studios from Georgia and Florida with typically a few hundred students participating in the event as well as their attending families. The event this year is being hosted by Rock Solid Karate in Gainesville, GA. I would like to give you a brief history on Tang Soo Do and what we strive to do as a worldwide organization. Our founder, Grand Master Jae C. Shin came to the United States in 1968 and settled his headquarters in Burlington, NJ. After many years and a few adaptations to the organizations name the World Tang Soo Do organization was formed in 1982 and has grown into a worldwide entity. Tang Soo Do is a traditional martial arts and is the sister form to Taekwondo (sport karate), both are from Korea. WTSDA's motto is: TRADITIONALISM, PROFESSIONALISM AND BROTHERHOOD/SISTERHOOD. As an organization our instructors train children and adults in martial arts and cultivate relationships that last a lifetime. The benefits of martial arts training goes well beyond self-defense. It's an incredible way for our students to learn discipline, self-esteem, stay in shape and the esteemed honor to have the opportunity to earn their black belts. Our younger students have the opportunity to grow up with an organization that will help them become well rounded adults with honor and integrity at the heart of all of their training.

WTSDA is a huge family and we strive to keep our schools/studios and students a close-knit family. Your sponsorship money would not only go to fund some of the event itself but also the Region 21 Scholarship Fund and the formal dinner and after party on the night of April 22<sup>nd</sup>, which each sponsor would be invited to as well. You would also become part of a large family that helps individuals of every shape and size on a personal level become the very best they can be in life. Thank you again for considering this unique opportunity.
