

Beef Ambassador Application

Application due February 15, 2018

(Interviews to be announced)

CMTCA has switched from the royal court (Queen/Princess) to the Beef Ambassador Program. This program is for youth, male and female, between the ages of 16-21.

The beef ambassador program is designed to educate the youth and consumers about beef nutrition, food safety, and stewardship practices for the beef industry.

Ambassadors promote the beef industry as they develop leadership and communication skills while building self-confidence to become the future leaders of the beef industry.

Participants and their families need to be actively involved in the beef industry; however, membership to the CMTCA is preferred but not required. Applicants must be residents of Columbiana, Mahoning or Trumbull counties in Ohio.

CMTCA Ambassadors may not enter any competition to serve as an ambassador for any other commodity group while serving as a beef Ambassador.
