We will review 0-5 and learn 6 and 7

## Tips for Preschool success....

- The students are very familiar with the morning routine. I encourage parents to drop off students either on the playground or at the door and let them unpack their backpacks alone. This will encourage independence.
- Please encourage your children to practice writing their name at home as often as possible. They are getting more confident every day, and we want to keep up the momentum.
- As we get into higher numbers, encourage your children to count everything! Count the cars as you walk through the parking lot into the store, count street signs, or French fries at lunch....every opportunity to count is an opportunity to learn!

## Dates to Remember

October 8-12th - No school, Fall Break.

October 25-26 - Parent/teacher conferences.

Please watch emails for the signup genius to schedule your conference. Because we are a half day class, our class will not have early release. Pick up time remains 11:15 am.

October 31st-Royal Ball! Students come dressed that day as a Prince or Princess and dance the day away!
