GENERAL MEETING – APRIL 12-2012

Considering the last-minute activity that took place to replace a sponsorship rescheduling, we had a nice turnout and our panelists did us proud!

Mike Helm, Sales Manager for Arctic Traveler, gave a presentation on mobile refrigeration, heating and air conditioning; with an emphasis on maintenance and trouble shooting. Thanks Mike! Mike can be contacted at mikehelm@atc.ca or at 905-637-3468.

President Dan Cushing then reviewed the 'Joys and tribulations of running a fleet today' with the aid of a nice power point presentation he had prepared for the occasion that included a review of some notable recent product recalls. Dan's presentation garnered some valuable and interesting input from attendees. Amongst those adding input was Dave Weatherhead of Centennial college who reviewed the evolution of the apprenticeship programs along with the various bursaries, awards, tax and credit benefits available to apprentices and employers. Quite interesting.

50/50 Draw: Garnet Burnett won the draw. Note that the house 50% will go towards the Toronto ATS scholarship fund as initiated in March 2012.

A.T.S.S.A. MATTERS
