**HAPPY NEW YEAR**

# FROM THE PRESIDENT'S DESK

I hope all is well with you and your families and you all had great holiday season. I want to express my thanks to our volunteers for the holiday decorations. Jocko Castagna & Haven Pagans for decorating the Christmas tree and Carmen Friedman & Bea Billig for the Chanukah table. Jerry Novickas, Gordy Smith & Steve Kastner for the lights at the entrance and the median. Jerry, Sal Circelli & Jimmy Giasullo for the clubhouse lights. They all did a great job and made the Meadows festive looking during the holidays.

Recently our pool heaters went down and it's taken awhile to get them repaired. The part that failed is a part that usually doesn't and had to be special ordered and it's taken some time to get it. There are two heaters and they work in conjunction with one another, if one goes down, neither will work. On December 17th we replumbed the heaters so if one goes down we can turn that one off and just use the other one. This will at least give some heat to the water until we get the part. We know we have early morning swimmers and we have to keep the pool at a comfortable temperature. We apologize for any inconvenience but it's unavoidable.

At our upcoming Annual Member's meeting (January 12th), we will elect three members to the Board of Directors. We will also vote on two amendments to our documents. One is to change the date we have to provide our annual audit to members from April 1 to May 1. We do not receive the audit until April as CPA's are in the busy tax season. It is physically impossible to get it to you before April 1. The other is to add non-budgeted repairs or alterations to the Clubhouse & Recreation Areas to Deferred Maintenance Reserves. Most of us thought that were already in place but it's only for painting the clubhouse. The Board is hoping you vote yes to both. If you can't attend the meeting you can vote by proxy.

On Christmas Day, after their long trip on Christmas Eve, Santa & Mrs. Claus visited our clubhouse and spread some holiday cheer. Gordy & Dolly Smith were instrumental in getting them to stop here and it is greatly appreciated.

The other members of the Board of Directors and I want to wish you all, the happiest and healthiest of New Years.

Thanks,

*Rich Collura*

# RECESSION AND DEPRESSION

Recession and depression, that's all we hear them say  
God help us, does it have to be that way?  
We know the monies low, we wonder if we will have enough to live  
But we will survive, we have so much to give  
At times like this, we need kindness and caring talking and sharing  
We have had recession and depression before, but things turn around  
Smile, don't frown, it will help to keep our spirits from going down
