Chicago Title is the nation's largest title insurance company through its title insurance underwriters - Chicago Title, Fidelity National Title, Commonwealth Land Title, Alamo Title and National Title of New York - that collectively issue more title insurance policies than any other title company in the United States.

The fourth quarter was a strong finish to 2015 for our title business. The purchase market showed continued growth, as our open and closed purchase orders grew by approximately 9% for the fourth quarter and full year 2015. Our commercial division also had a record quarter, generating \$303 million in total commercial revenue, an 11% increase over the fourth quarter of 2014. For full-year 2015, total commercial revenue was more than \$1 billion, a 20% increase over full year 2014.

As we continue our journey to become your strongest industry's partner, we wanted to thank you for your continuous patronage and support over the years and trust that we will continue to provide best-in-class service as well as innovative technology in 2016!
