

21. BONNIE TURNER - Ruth & Sophie Project Bags

Here is another fun embroidery project with coloring!
You can make either bags or not. Choose either pattern and we'll go from there. If you didn't want to put this into a bag it could be signed and framed for a lovely gift.

Supplies - Crabapple Hill Pattern required

Supplies listed on pattern. It is very helpful to have the pattern drawn on your background before class.

Embroidery scissors

Embroidery threads of choice (does not have to be what pattern suggests)

Crayons - make sure there is a white crayon in the pack.

Chenille needles #22 or #24
