

FLIGHTLINE MARSHALLER (FLM) COURSE

The purpose of this course is to provide new flightline marshaller (FLM) an overview of flightline operations and how to guide/direct aircraft to and from parking spots. The FLM is responsible for the safe moving and parking of all mission aircraft. Each FLM must be well trained, confident of their knowledge and skills of the flightline and aircraft operations. This course will include academic (classroom) and practical (hands-on) training and is open to senior members and cadets.
