

AMERICA'S SWEET CANDY HISTORY

Dive into the history of America's favorite candies with historian Leslie Goddard. From early treats like licorice roots and maple sugar candy through modern Baby Ruths and Hershey bars, we'll explore the companies and brands that have become American icons

Leslie Goddard, Ph.D., is a historian and author who has been researching candy history for more than 15 years. She is the author of *Chicago's Sweet Candy History* and works full-time as a public speaker, writer, and historian.
